Congratulations Jenny and Sue!!

The WA State Government has initiated an award for people who have been volunteers to a single organisation for over 25 years. Jenny joined the Ongerup Red Cross in 1973 and has been a volunteer ever since, holding various office bearer positions. She is currently an Emergency Services volunteer, attending meetings and training workshops in Katanning. She was given the award for more than 40 years service to Red Cross.

Sue joined Red Cross in Ongerup in 1981. She is also an Emergency Services volunteer, attending the meetings and workshops in Katanning. She was given the award for more than 30 years service to Red Cross.

I was contacted by the Red Cross state office and asked if I would be able to present the awards publicly. As both Jenny and Sue are staff members at the school, I thought it would be a good idea to do it at the school concert, I arranged it with Ms Ixer, who agreed that it was a good idea. Both Jenny and Sue were most surprised and taken aback, but everyone seemed to agree that it was a very appropriate way to present them. Jan Savage

"During a prison break, I saw a midget climbing the fence. As he jumped down, he sneered at me.
I thought "Well that's a little condescending!"

As a little girl climbed onto Santa's lap, Santa asked the usual, "And what would you like for Christmas?" The child stared at him open mouthed and horrified for a minute, then gasped, "Didn't you get my E-mail?"
