## AUGUST BOOK CLUB REVIEW 2017.

*Wonder* is a spare, warm, uplifting story that will have readers laughing one minute and wiping away tears the next. *I won't describe what I look like. Whatever you're thinking, it's probably worse.* August (Auggie) Pullman was born with a facial deformity that prevented him from going to a mainstream school - until now. He's about to start 5th grade at Beecher Prep, and if you've ever been the new kid then you know how hard that can be. The thing is Auggie's just an ordinary kid, with an extraordinary face. But can he convince his new classmates that he's just like them, despite appearances?

R. J. Palacio has written a spare, warm, uplifting story that will have readers laughing one minute and wiping away tears the next. With wonderfully realistic family interactions (flawed, but loving), lively school scenes, and short chapters, *Wonder* is accessible to readers of all levels.

August choice was Brooke's. What a great choice, of the 9 ladies that were present, we had one apology, all had read it. We all got something out of this book and it provoked a lot of discussion. We rated it mostly 9s and a couple of 10s. I think for the first time we actually spent the most of the night talking about the book.

Brooke put on a lovely supper and we had a great night despite the horrid roads to get there.

Next month is Leanne's book and it will be held on the second Monday of September.
