**ONGERUP MUSEUM** The annual wildflower show is coming up! This year we are open for 2 weeks 18th September to 1st October instead of 3 weeks due to numbers of helpers available to man the display. We will be doing a busy bee on Monday 11th September to prepare buildings and gardens for the show. If you have a spare hour or so on that day we have a list of jobs to be done. Also any time spare during the wildflower show please put your name down with Judy 0427 356020 or Sandy 0428 282941. There will be a handy list to help any volunteers to welcome visitors and other jobs needed on the roster. Look forward to seeing you!

**COMMUNITY CROPPING** Are there any community groups interested in a cropping lease of 130 ha on the Lakes Block in 2018. Please contact Kingsley 0428 282082

## Ongerup Primary School - What are we up to now!

Greetings all!

**Pre-kindy Open Afternoon Tuesday 5th September 1:00-3:00pm Ongerup Primary School Library**

**Parents, Carers and Community members**

*Children turning four years of age by June 30th 2018, are now eligible to enrol in Kindy for next year. Anyone who has toddlers or Pre-kindy aged children are cordially invited to our Pre-kindy Open Afternoon next Tuesday.*

*We have a wonderful line up of special guest speakers that form the specialist support network here at Ongerup Primary School. This informative session will allow you to meet some of our specialist support staff, ask questions, meet our K-2 teaching and learning staff, and visit the Joeys classroom. There will be information packs, activities for the little ones, a pre-kindy orientation in the Joeys class, goodies and afternoon tea provided. See over the next page for our "Programme of Events".*

*All little folk welcome, please bring your Mum, Dad and Carers! I look forward to meeting you all!*

**Book Fair Tuesday 15th of August**

*A great opportunity to dress up and immerse ourselves in the world of Literature. As usual our staff and students embraced the moment enjoying a morning of fun, fiction and real life accounts. Even the legendary song lyricist and story teller Bob Dylan came "Blowin' in the Wind" to host our morning festivities. Of course there was the traditional Book Fair parade, followed by the Book Quiz and Story Time. In all, a great success as usual with students and parents showing great interest in the many literary delights, purchasing nearly a \$1000.00 worth of books. An outstanding effort. Thanks to all the staff and particularly Mrs Thompson for your organisation of this engaging event.*

**Musica Viva Excursion: B'Tutta Percussion Quartet - Bremer Bay Town Hall Thursday 24th August**

*Last week staff and students were treated to an awesome performance from this highly acclaimed Sydney based percussion quartet. Packed into the Bremer Bay Town Hall students from Ongerup, Gairdner, Bremer Bay and Jerramungup were exposed to an array of percussion sounds and instruments from these talented performers. The interactive nature of the show allowed students to join in participate and even create and conduct their own percussive piece of music. In all a highly engaging performance - well done boys!*

**InCAS Testing - Term Three**

*Last year we commenced Interactive Computerised Assessment System testing otherwise known as InCAS. This testing gave us valuable standardised baseline data for students in Pre-primary to Year 6. In all there are several key areas that the testing focuses on: Picture Vocabulary, Non-Verbal, Word Recognition, Word Decoding, Comprehension, Spelling, Mental Arithmetic, General Maths and Attitudes to School, Maths and Reading. The interesting aspect of this programme is that we start students at their chronological age and they complete tasks and questions that actually change becoming more difficult or easier according to student responses. By the end of each test the student has their results presented in the actual chronological age they are working at. This then becomes a powerful assessment tool complimenting other assessments such as On-Entry testing, NAPLAN and other curriculum based assessments. Teachers will be available during Term Four to discuss these results with parents and carers.*

**Athletics Season**

*As you are aware Athletics season is fast approaching with the school participating in three carnivals this term; The Warperup Sports Day, The South Lakes Carnival at Broomehill and the Fitzgerald Carnival at Boxwood Hill. In order to prepare for these students have been practising new team games in Daily Fitness and learning how to Scissor Kick for high jumping at the South Lakes Athletics Carnival.*

## SHIRE OF GNOWANGERUP

### ADJUSTMENTS TO SHIRE OF GNOWANGERUP 2017/18 BUDGET

The WA Local Government Grants Commission advised in August 2017 that the final Financial Assistance Grants (FAGs) cash allocation to Western Australia is lower than originally advised by the Commonwealth in the May estimates. This is primarily as a result of new Census data becoming available in June.

The net result to the Shire is shown below:

#### General Purpose Component

|                   |                  |
|-------------------|------------------|
| Budgeted:         | \$398,080        |
| New Figure:       | <u>\$339,684</u> |
| Budget Amendment: | \$58,396         |

In addition, Main Roads WA has also advised that, due to State Government budget constraints, it has reduced its annual **road preservation grant** to the Shire as follows:

#### Roads Component

|                   |                  |
|-------------------|------------------|
| Budgeted:         | \$272,715        |
| New Figure:       | <u>\$272,858</u> |
| Budget Amendment: | (\$143)          |

|                   |                 |
|-------------------|-----------------|
| Budgeted          | \$142,735       |
| New Figure        | <u>\$83,729</u> |
| Budget Amendment: | \$59,006        |

#### Overall Adjustment Required

|                           |
|---------------------------|
| \$58,396                  |
| <u>(\$143)</u>            |
| \$58,253 budget shortfall |

It is less than ideal that the State and Federal Governments seem unable to adhere to the estimates they provide to Local Government.

In summary, the Shire's budget position has been weakened by the amount of \$117,259. Due to previous good financial management, however, it is anticipated that the Shire will be able to make up this shortfall without a reduction in services, from a combination of a decrease in budgeted transfers to reserve and from end of financial year adjustments. Council is mindful of the current economic climate and, due to the aforementioned financial management, was able to limit the overall rate increase for 2017/2018 to 3.5%, rather than the 6% stated in its Long Term Financial Plan.

### 9G Chamberlain Tractor Club

On Sat 9<sup>th</sup> Sept some members of the 9G Chamberlain Tractor Club will be travelling between Gnowangerup & Jerramungup as part of their 2017 Southern Explorer Trek - the group will call into Yongergnow at about lunch time. The club plans a camping & outback trek nearly every year. All that take part pay their own travelling cost, but during their travels they raise funds for the RFDS & Children hospital, so if you see us go past we'd

love for you to drop some coins in our RFDS money tins. Last year's fundraising was split between RFDS, PMH, & Motor Neurone Assn. Tim & Vicki O'Neill & Mick Creagh will get their tins from the "powers that be", so in the meantime if you wish to donate ahead of time we'll get it in our tins (can we be trusted!!!) We'd love to see you join us somewhere around Ongerup on our way past on the 9<sup>th</sup>.
