## *Ongerup Primary School - What are we up to now!*

Hello all and welcome back to Term Three!

As usual we have some big events coming our way. Term Three has a very sporting and cultural flavour, and features an early start to our Pre-kindergarten orientation for 2018.

On the sporting field we are introducing students to the sport of Touch Football before we prepare for our three scheduled Athletics carnivals later in the term.

In the Arts, we turn our focus towards Music for Semester Two and as a compliment to this we are taking students to this year's Music Aviva road show to see "B'Tutta" a four piece percussive ensemble at Bremer Bay.

Next week we head out for National Tree Planting Week on Monday to revegetate some of our more barren school oval surroundings. Here we will be working with Pallinup Land Care planting native trees in the afternoon between 12.30 and 3.00pm. If anyone from the community would like to be involved please turn up to school at about 12.30pm. Rain is forecast so some wet weather gear and a pair of garden gloves is the order of the day.

Book Fair is on Week Five and culminates in an Author in Residence session for the Boomers at Gnowangerup Library, featuring Ms Dianne Wolfer, Western Australian award winning author of Lighthouse Girl and Light Horse Boy.

### **Pre-kindergarten Orientation for 2018**

This term we are very excited about commencing our Pre-kindergarten Orientation programme for 2018. In order to launch this we are holding a Pre-kindergarten Open Afternoon in the School Library during Week Eight, Tuesday the 5th of September.

All families with young children within the regional district are cordially invited to join us to see what our wonderful school has to offer in 2018 and beyond. The afternoon will feature information, presentations and activities run by some of our dedicated school support services personnel from the WA Country Health Service, the School Chaplaincy Program and the Great Southern branch of Playgroup WA. During the afternoon we will also conduct a school tour and you will have the opportunity to ask questions, learn more about our specific learning programmes and see our Joey (K-2) class in action.

If you are interested in attending this event please give me a call on 9828 2033. I look forward to hearing from you and discussing any questions that you may have regarding your thoughts or current situation.

Mark Bruce  
Principal

## ONGERUP LIBRARY 2017.

I finished my time in the Ongerup Library on Thursday 20<sup>th</sup> July. Tim Foster sent me a photo of the opening of the Ongerup Library on the 20<sup>th</sup> of July 1968. Which I thought was a fitting coincidence.

This prompted me to do some research. When I first came to Ongerup 1972 Jan Manning was doing the Library and it was open Tuesdays and Thursdays and Tuesday nights as we played badminton then.

After Jan was Kaye Murnane and then Robyn House. Then in the mid-eighties Mrs. Ann Hart took over.

Mrs. Hart was Keen on Bowls and Golf, open days and Ladies days tended to be on Thursdays so I checked my diaries and the first time I relieved was in 1986. This was highly irregular as Mrs. Hart paid me cash. I think the amount depended on how well she went at the sport she happened to be playing at the time as it always varied. The library was open from 10 am -2 pm on Thursdays and then we played ladies tennis in summer. I relieved all through the 80's and into the 90's just on and off although in the 90's more often as I went in and did the exchanges as this was a huge task.

Then in 1997 Mrs. Hart went to England and I had 5 months straight so we thought maybe I should go on the Shire books. Then Mrs. Hart retired on the 5<sup>th</sup> August 1999 and we had an afternoon tea in the hall after Library and over 40 people attended. I started full time on the 10<sup>th</sup> August 1999. That was when we got computers in the Library.

Then on the 26<sup>th</sup> of July 2017, the shire invited me to a farewell lunch with staff and Councilors

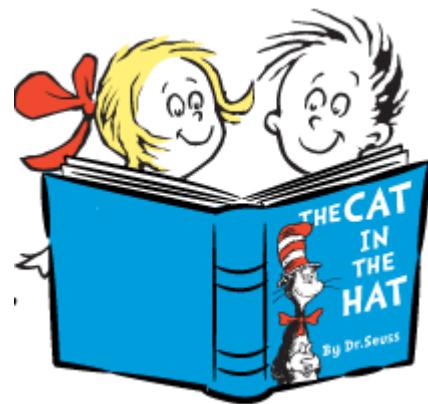

This was lovely afternoon, the lunch was delicious and the president, Keith House, said nice things about me and presented me with a gift voucher to Chimes Spa Resort in Denmark. I thank the Shire for such a lovely treat. I thank the girls in the front office for their gift as well Thank you all so much.

I really loved my time in the Library and I urge Ongerup to visit the Library while Oliva Letter is there

From 10 am, to 4 pm on Wednesdays. Ongerup really needs to patronize the Library or I fear for its future.

Thank you Ongerup for all your support over the years I really will miss my Tuesdays and Thursdays

Cheers Gail Vaux.
