## FREE Community Breakfast

Come and enjoy a delicious cooked breakfast

**Sunday March 26th from 7am**

Watch the fox shoot  
tally count and  
presentations

## Community Notices

**Sporting Complex AGM** rescheduled due to lack of numbers.

Now being held on **Tuesday 28 March at 7.30pm** at the Complex. We need a full committee to show we care about the Complex and its role in our Community. Secretary and Treasurer are happy to stay on but we need a President and Vice President. With Tim O'Neill maintaining the reticulation, the President's role is very small. There are only two meetings per year and your Treasurer and Secretary do the bulk of the work. Stand up and be counted!

**Ongerup Library** Your Library will be closed on the 11th and 13th of April. Sorry for any inconvenience. Gail Vaux Library Officer.

# Community Child Care Need

## Assessment Survey

We are trying to gain insight into the interest of continuing our **one day per week Mobile daycare in Ongerup in 2017**. We are in the process of reviewing community interest in this, as the numbers have declined in the past few months.

If you are an interested family with **0 – 6 year old** children, and you are planning to send your children to our service in 2017, Please complete the form below & post/ fax/ email us, or phone us, with your response ASAP.

Thank you for your time

## Ongerup Primary School - What are we up to now!

Greetings all!

Well the term is drawing closer to end while the football is firing up!

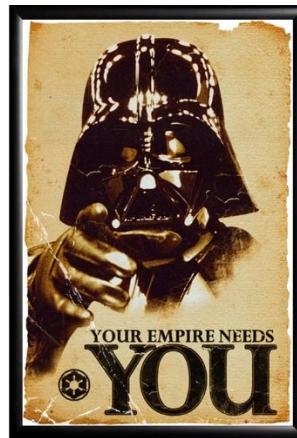

Meanwhile it has been a huge week. Our Student Captains attended the GRIP Leadership Conference on Tuesday in Albany while Harmony Day was celebrated with some marvellous Malaysian cooking for our Joey's and Boomer's. And, if it couldn't get any better next week the Boomer's are off to Bridgetown with the Senior students from Bremer Bay and Borden Primary Schools, and the Joey's set off to Albany on Wednesday to explore the Bird and Animal Park and burn off some energy at Tumblejam in the afternoon.

### Local Artist Visit – Wildflower Faces

On Friday March 17th our Art class was privileged to have a visit from local artist and naturalists Jane and Bill Thompson. Jane has kindly donated her new colouring book featuring 90 of our local native wildflowers to each student in our Art class. The book accurately illustrates local wildflowers allowing students the opportunity to identify local species and bring each to life through the medium of colour. Many thanks Jane, it is a wonderful initiative!

### Eating with Dinosaurs & Food Sensations Tuesday April 4th

In keeping with our one of our Health priorities for 2017, "healthy eating", parents and carers are cordially invited to join the Joey's for our Eating with Dinosaurs session at school from 2.10 – 3.00pm. While this is in progress our Boomer's class will be participating in a Food Sensations cooking session from 1.30 - 3.00pm. Both sessions are kindly presented by the WA Country Health Service.

Ongerup Community we need you!

As a part of our new Positive Behaviour Support initiative at school we need your vital community input! The question is what values do the Ongerup Community members really feel passionate about?

We would like community members to consider the main values and/or expectations you have for our children and indeed adults within our community. If you feel strongly about certain values could you please give me some feedback and send in your thoughts, perhaps 3 - 5 values you really believe in? You may also wish to briefly explain why you chose those particular values. Please send any feedback to [ongerup.ps@education.wa.edu.au](mailto:ongerup.ps@education.wa.edu.au) and attention it to me or Mrs Harding our School Behaviour Support Team Leader.

This is a great community. What do we stand for!

Mark Bruce - Principal

A blonde decides to try horseback riding, even though she has had no lessons or prior experience. She mounts the horse unassisted, and the horse immediately springs into motion. It gallops along at a steady and rhythmic pace, but the blond begins to slide from the saddle. In terror, she grabs for the horse's mane, but cannot seem to get a firm grip. She tries to throw her arms around the horse's neck, but she slides down the horse's side anyway.

The horse gallops along, seemingly oblivious of its slipping rider.

Finally, giving up her frail grip, the blond attempts to leap away from the horse and throw herself to safety.

Unfortunately, her foot has become entangled in the stirrup, she is now at the mercy of the horse's pounding hooves as her head is struck against the ground over and over.

As her head is battered against the ground, she is mere moments away from unconsciousness when to her great fortune Frank, a K-Mart greeter, sees her dilemma and unplugs the horse.

...And you thought all they did was say hello.
