ONGERUP WILDFLOWER SHOW - Volunteers needed

The annual wildflower show will run for three weeks, commencing on Monday 12th September, finishing Sunday 2nd October. We will be picking flowers (with the appropriate license from Department of Parks and Wildlife) in the days preceding the show.

We will be setting up on Sunday 11th Sept. We would warmly welcome any assistance filling bottles, arranging displays, tidying the surrounds or putting up signs on the roads out of town. Then we need volunteers to meet and greet visitors for the three weeks. You do not need to be a wildflower expert, just like talking to people and making them feel welcome. A roster will be left at the Ongerup General Store, the morning roster is from 9am to 12.30pm, the afternoon roster is 12.30pm to 4pm.

The number of museum members has decreased in recent times, but we still feel that our little wildflower show has a lot to offer to locals and visitors alike, so please consider putting your name down for a couple of rosters, we will be very grateful.

Hopefully, you will enjoy the experience. Jan Savage

BOOK CLUB REVIEW FOR SEPTEMBER 2016.

Truly Madly Guilty

By Liane Moriarty.

In *Truly Madly Guilty*, Liane Moriarty turns her unique, razor-sharp eye towards three seemingly happy families.

Sam and Clementine have a wonderful, albeit, busy life: they have two little girls, Sam has just started a new dream job, and Clementine, a cellist, is busy preparing for the audition of a lifetime. If there's anything they can count on, it's each other.

Clementine and Erika are each other's oldest friends. A single look between them can convey an entire conversation. But theirs is a complicated relationship, so when Erika mentions a last minute invitation to a barbecue with her neighbors, Tiffany and Vid, Clementine and Sam don't hesitate. Having Tiffany and Vid's larger than life personalities there will be a welcome respite.

Two months later, it won't stop raining, and Clementine and Sam can't stop asking themselves the question: *What if we hadn't gone?*

In *Truly Madly Guilty*, Liane Moriarty takes on the foundations of our lives: marriage, sex, parenthood, and friendship. She shows how guilt can expose the fault lines in the most seemingly strong relationships, how what we don't say can be more powerful than what we do, and how sometimes it is the most innocent of moments that can do the greatest harm.

The Goss from Gail...

Monday night saw 6 of us gather at Gail's place to discuss her choice for September.

There were two apologies. This was not my first choice so I sort of settled on second best - Liane Moriarty is always an entertaining read. We had all read the book, a first for some time. We all found that it went on for the first half and you seemed to take ages to actually get to the nitty gritty. But it kept you reading. She finally bound everything together beautifully at the end. We all enjoyed the read. This book rated 8/10

We then sorted out our December book club which we are holding in Bremer Bay. Thank you all for attending and stacking my dishes! Next book club will be at Sandy's on Monday 10th of October.

PUBLIC NOTICE

PROPOSED COUNCIL POLICY ON GATE PERMITS

The Shire of Gnowangerup at its August 2016 meeting adopted a draft Policy to deal with applications for gates that are to be erected across public roads. The draft Policy is now available for public inspection and comment. The objective of the Policy is to provide guidelines for the application and consideration of gate permits to erect gates and/or stock grids across road reserves under the care and control of the Shire of Gnowangerup.

A copy of the draft Policy can be obtained from the Shire of Gnowangerup offices at 28 Yougenup Road, Gnowangerup during office hours or viewed on the website www.gnowangerup.wa.gov.au. Submissions must be made in writing and lodged with the undersigned on or before **Friday, 7 October 2016**.

The draft Policy is being advertised in order to provide an opportunity for public comment and it should not be construed that final approval will be granted.

Yongergnow AUSTRALIAN MALLEEFOWL CENTRE

**Ongerup's Centre for
Community, Culture and
Conservation**

Call for Board Members

Do you have a passion for the
 conservation of our unique Mallee
 bush and its inhabitants, particularly
 the endangered Malleefowl?

Yongergnow Australian Malleefowl
 Centre is inviting you to submit an
 expression of interest to join its Board
 of Management.

Ongerup's Yongergnow Centre has
 been open to the public since 2007.
 Yongergnow focuses on the
 conservation of the magnificent
 Malleefowl and its habitat, mainly by
 education and awareness-raising.

Captive-raising of Malleefowl has been
 added to this scope, and in 2015/16
 our birds bred for the very first time.
 Since 2010, Yongergnow has released
 over 10 birds back into the wild.

Yongergnow is planning to take on
 more on-ground conservation work
 such as monitoring bird populations in
 the North Ongerup Malleefowl
 Corridor, fauna surveys, and
 Malleefowl mound monitoring.

Other plans include conducting tours,
 diversifying the scope of animals
 within the Yongergnow Sanctuary and
 raising Yongergnow's profile as one of
 the chief Malleefowl conservation
 organisations in the south of our state.

We encourage anyone interested in
 joining our organisation to apply for a
 position on the Board of
 Management. For further information
 please contact Centre Manager
 Rebecca Brady on 08 9828 2325 or
visitor@yongergnow.com.au or our
 Chairman Ken Pech on 0427 171 904.

We look forward to hearing from you!

“more than just fertilizers”

I run on-farm trials to get local data to calibrate and validate recommendations.

As well as a trial at Greenrange, we have a couple of trials in the Cranbrook area in 2016.

Added to this a lot Fuel Gauge strips which provide real-time, specific and local response information for in-season nutrient decisions.

It's all part of the experience that makes Summit a supplier of “more than just fertilizers.”

This trial highlights the need to adequately supply potassium to a growing crop.

Talk to me about your soil analysis needs.

Make sure your crops make the best of every season.
