## **Successful succession planning day held at Ongerup**

A large group attended this very informative day presented by Kim Lee from Rabobank. Kim is a farmer herself and has been through the experience of succession planning as well as helping many farming families over the years navigate the tricky waters of handing on the family farm. As well as entertaining the group with many different scenarios she has encountered over the years she gave out very practical advice for getting the process started . A huge thank you to

Rabobank for coming out to run this day and to WA Farmers who generously sponsored the daycare to enable young families to attend. Thanks Michelle for the amazing food!! And Jan, Sally, Lainey and Jill from WIFE for all the organising of the day.
