Savages farewell

In 1975 as Jan and Barry drove into Ongerup, Jan famously said “Okay I’ll give it three years then I want to move to somewhere better” !! Over 40 years later as the community gathered to farewell this amazing couple and wish them well for the next chapter of their life, those words caused much laughter from everyone there who all had experienced Jan’s commitment and passion for this small country town they had made their home.

MC Emily invited an array of speakers forward to reflect on the contributions they have made to so many organisations in Ongerup and the surrounding districts.

Sharyn Pither spoke of Barry’s years of service to St John Ambulance, volunteering many hours not only in the Ambulance but to the care and maintenance of the vehicle and shed in Ongerup. Jan has played her role as a most convincing patient during training exercises.

Gerald Slee presented both Jan and Barry with 10 year service medals from the Bushfire Brigade to recognise their outstanding contribution in running the base radio station for so many years. Nancy Dewar thanked them both for their contributions to the Community Resource Centre, Jan is a past President and has always been the go-to person to help untangle the bureaucratic maze, she will be much missed from our committee.

Ken Pech spoke of their contributions to Yongergnow both serving on the board, Barry doing countless hours of maintenance at the centre. Graeme Jones spoke on behalf of the Shire and the Ongerup faith community. Jan’s outstanding contribution to the Shire of Gnowangerup including being the first female Shire President. He spoke of Jan as an outstanding advocate for Ongerup and the Gnowangerup Shire “in everything she did she was always kind” he said.

Graeme Savage spoke on behalf of the family and community, and David Nield finished the speeches on behalf of the Bowling Club.

Jan and Barry were then presented with an aerial photo of Ongerup taken by Danielle Fuller, surrounded by 33 plaques representing the clubs and groups they have so generously given their time to. Jan and Barry thanked everyone very much for their well wishes.

Family Education
presents a workshop on

PROTECTIVE BEHAVIOURS

The Protective Behaviours program was developed in the 1970's and is now a mandatory part of the Australian and Western Australian curriculum.

- It aims to enhance problem-solving and communication skills of children.
- It encourages children to identify situations that are unsafe or potentially unsafe, and to develop practical strategies to counter these situations in order to preserve their physical and emotional safety.
- It focuses on addressing a wide range of personal safety issues perpetrated by known or unknown people, including being lost, bullying, abduction and all forms of abuse.

The Protective Behaviours program is based on two simple themes:

1. **We all have the right to feel safe all the time.**
2. **Nothing is so awful that we can't talk with someone about it.**

In this course for parents, we will look at strategies and resources that parents can be utilising at home to help build these very important skills into the lives of their children.

This Protective Behaviours Workshop is funded under the Families and Communities Program by the Australian Government Department of Social Services.

Ongerup Mobile Daycare

Hi Everyone! Easter is only around the corner, so for the past two Tuesdays in Daycare we have been busy getting our wall ready for Our Easter Craft Garden!

Last week the kids made lovely lady bugs and this week they made beautiful butterflies. We are hoping to make some caterpillars and bunnies next week to add to our garden! We also had some outdoor water play last week as it was a hot day!

The kids thoroughly enjoyed playing with the cool water and some of them even dipped their toes in!
