Ongerup Primary School - What are we up to now!

Greetings all for 2018!

This year has launched with a new feel within the school. During 2017 we farewelled nine students including a rather large cohort of Year Six graduates. However, in 2018 we are very fortunate and excited to have new families come on board as we welcome eight new students into our junior Joey class, six in Kindy, one in Pre-primary and one in Year One. This brings our numbers up to thirteen in the Joeys class and six in the senior Boomers class.

While our teaching staff and support staff remain stable. We welcome our new School Chaplain Mrs Danielle Smith who has been busy establishing a school Chaplaincy programme, building relationships within the school and working hard on our School Positive Behaviour Support focus activities. We also continue to work closely with; Mrs Tina Harding our PBS Leadership Team leader, our School Nurse Ms Larissa McInerney, our new School Psychologist Ms Sue Swift, our School Speech pathologist Miss Samantha Tozer and a myriad of support staff from the WA Country Health team based in Katanning.

Within the region and local community we continue to work with the staff at Yongergnow and look forward to our next event, a talk from Mr Simon Cherriman, a biologist and naturalist who works closely with the preservation and monitoring of the Wedge Tailed Eagles within the region. **Community members are welcome to join Ongerup and Borden Primary students to attend this talk on Wednesday 23rd of May**, proudly brought to you with the support of Yongergnow and Mr Fred Duncan. More details to come!

Also in 2018 we are looking to further develop our sporting ties with Borden and Pingrup Primary Schools and continue our local school networking within the Fitzgerald Schools Cluster and Albany Schools Network.

This year we also commence our new strategic planning three year cycle which has involved identifying school priorities and further fine tuning curriculum, numeracy and literacy development.

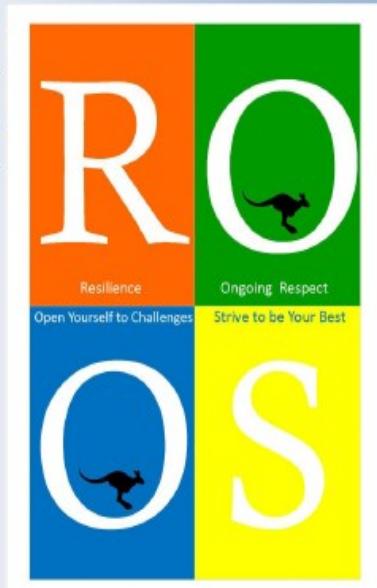

As 2018 steams ahead, students have already been engaged in many extra-curricular activities and excursions including: In-term Swimming, Inter-school Swimming, the Albany GRIP Leadership Conference, the Fitzgerald Biosphere Launch, the Boomers Camp to Point Peron and the Joeys Big Day Out to Albany Museum and Eyre Park.

As always we welcome any community members to come into the school and have a chat, share your thoughts and ideas. We are also looking for interested community members to join the School Council and P&C. **Our next School Council meeting is scheduled for 6.00pm in the School staffroom on Monday 9th of April**. For further information please call me at school on 9828 2033.
