WEDGE TAILED EAGLE TALK AT YONGERGNOW

WITH SIMON CERRIMAN

Yongergnow was privileged to have Simon Cheriman visit the centre and give a presentation on his research into the preservation of this amazing bird. Simon's enthusiasm and passion for the environment and birds in particular was a delight. His presentation in the morning had adults and children enthralled as he presented some amazing facts from his research. Satellite tracking has revealed that these birds can fly up to 300 - 400 km a day. They can fly up to 6300 km high and as far away from their nest as 1800 km. After the talk the group moved over to the Ongerup school where we watched Simon climb a tree and install a small nest box that he had donated. The children will be able to monitor their box and hopefully some lucky birds will have a new home to nest in. Simon has been working closely with Fred Duncan monitoring nests on his property and we thank Fred very much for organising this day.

Simon and Fred with the Ongerup Borden schoolchildren

Simon sells nest boxes to fund his research into Eagles. If you would like to purchase one go to simoncheriman.com and follow the links.

Cockatoo box	\$300
Owl/duck box	\$180
Medium parrot	\$150
Small parrot	\$120
Possum	\$150
Phascogale	\$150
Bat	\$95

He also will install the boxes for \$150 per hour plus travel costs.

AUSCHEM

ACCREDITATION & RE-ACCREDITATION

AT THE ONGERUP CRC

ABOUT AUSCHEM ACCREDITATION

Reaccreditation- 1 Day Course:

Participants must have completed Risk Management in Pesticide Use (or an equivalent qualification).

Chemical users who have let their accreditation lapse for over 10 years are not eligible to attend re-accreditation programmes and will need to re-take Risk Management in Pesticide Use

AusChem Accreditation: Risk Management in Pesticide Use- 2 Day Course

Participants will learn on a practical level how to improve their integrated pest management programmes, to better choose the right chemical for the job and to apply it more accurately. The course is designed for people who will be spraying chemicals without supervision. This is an accredited course and successful completion will lead to issuance of AusChem WA accreditation.

1 DAY COURSE DETAILS:

AusChem Reaccreditation

Date: 31 July 2018 Time: 9am – 3.30pm

Lecturer: Bill Haynes

Course Fee: \$280.90 (or with a concession card \$93.35)

Book fee: \$154.00 for the AusChem Course Manual)

Total cost: \$434.90 (or with a concession card \$247.35)

2 DAY COURSE DETAILS:

AusChem Accreditation: Risk Management in Pesticide Use

Date: 19/20 July 2018 Time: 9am – 3.30pm

Lecturer: Bill Haynes

Course Fee: \$330.80 (or with a concession card \$126.20)

Book fee: \$154.00 for the AusChem Course Manual)

Total cost: \$484.80 (or with a concession card \$280.20)

FARM SUCCESSION

ONGERUP WOMEN IN FARMING ENTERPRISES welcomes
Ben Thompson from Ironbridge Group and
Michael Pyne from HPH Solutions to talk about farm succession issues

REAL LIFE SUCCESSION PLANNING, THE GOOD, THE BAD AND THE UGLY!

EVERYONE WELCOME!
Rsvp by June 1st to ongerup@wife.org.au

Both these advisors have had involvement with their own family farm succession issues, together with extensive professional involvement with their farming client groups throughout Western Australia.

Join us from 9am - 2.30pm at the Ongerup Sporting Complex, morning tea and lunch provided by the amazing Michelle Harris from Tasty Treats Catering.

Morning Session 9am-12.30pm

- Understanding the basic legal, commercial and taxation issues that frame any succession plan
- Who are the people involved in the succession process and what is expected of them
- What are the objectives of the succession plan, what are the risks and what are the limitations
- How to approach/introduce succession planning into a family farming business
- Identifying personalities and agendas within the farming group and managing conflict and communication
- Managing risk that impacts succession planning objectives
- Real life succession planning stories - the good, the bad and the ugly
- Attendee questions, discussions, advice and brainstorming between presenters and attendees using real life or hypothetical examples

Afternoon Session 1pm-2.30pm

- Role playing succession plan scenario's
- Question and answer session directed to Ben & Michael on related issues within their areas of expertise:

• Ben	- tax & business advisory in agribusiness	• Michael	- investment advisory issues
	- finance and banking in farming		- insurance coverage issues
	- risk management		- superannuation & retirement planning

WIFE Members \$15 | Non WIFE members \$25

Free daycare available at the Ongerup Community Centre, please phone Lydia Murray on 0499030101 to book your spot.

1-2-3 Magic and Emotion Coaching

A humorous look at parenting, a serious look at discipline.

Learn how to manage your children's difficult behaviour by using less talk, less emotion and by 'picking your battles'.

Help your Child to develop their ability to manage their own emotional reactions and grow their emotional intelligence.

This workshop will be facilitated by Margot Morgan from Parenting Connection Great Southern over 3 weekly sessions.

Cost: \$20 for all 3 sessions which will include morning tea and coffee.

WHAT IS RECYCLING

Shire staff are often asked what should be placed in recycling bins and also what happens to the material in the bins when they are emptied.

Warren Blackwood Waste was the successful tenderer when the waste collection contract recently came up for renewal. Mat Webb from WBW has this to say about recycling:

"We have had a lot of enquiries recently from most of the shires we service, in regards to recycling material and where it ends up.

Aluminium and steel cans as well as paper and cardboard are easily processed and we are able to get those processed quite easily, through Remondis in Perth.

Glass has been an issue for a long time and there hasn't been a receiver for a number of years now. WBW uses it as cleanfill at our Kojonup landfill site so we encourage everyone to put it in the recycling bin.

In general, we encourage people to put the following items in the recycling bin:

- paper/cardboard/magazines, etc
- all plastics
- aluminium (alfoil wrapping)
- steel cans
- glass

The cleaner the material the better, but as long as there isn't still food or anything in the containers, it isn't a problem.

Grease, oil, etc on paper or cardboard is fine.

We sort all materials by hand at our facility in Kojonup, and encourage any Shire or interested residents to come for a look at any stage. The reason we accept materials other companies will not is because we have the ability to stockpile and are optimistic about recycling into the future.

If you have any questions or would like to organise a tour of our facility, please get in touch with us!"
