YONGERGNOW BUSH The bush area around Yongergnow has many tracks through it, which are being used by motorbikes and cars. Can we please ask that you do not come close to the Yongergnow fence on the town side or ride through the carpark as we have our chicks in the pens there and they frighten very easily. Last week we found one had died from a head injury possibly caused by being panicked and hitting the fence. Thankyou for your consideration.

Two guys are out hunting in the woods when one of them collapses. He doesn't appear to be breathing, his eyes are glazed over. The other man pulls out his phone with trembling fingers and calls 000. He gasps, "My friend is dead! What can I do?" The operator says "Please stay calm. I will help you. First of all, let's make sure he's dead."

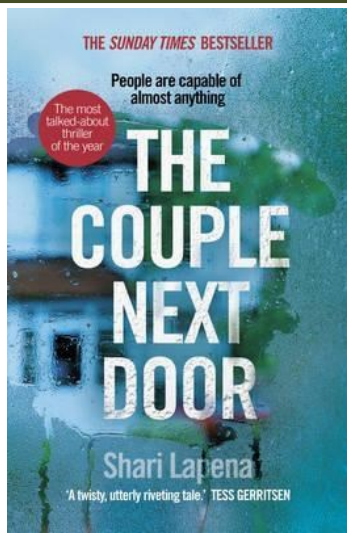

There's a silence, then a gun shot. The guy gets back on the phone and says "OK, now what?"

My dog used to chase people on a bike a lot. It got so bad, finally I had to take his bike away.

Today I went to a barber's shop for a shave. The barber asked me to put a small wooden ball in my mouth so he could get a closer shave around my cheeks.

I asked: "But what if I swallow the ball?"

He replied: "No problem sir, you just bring it back tomorrow like everybody else."

BOOK CLUB REVIEW 11TH JUNE 2018.

THE COUPLE NEXT DOOR BY SHARI LAPENA.

You never know what's happening on the other side of the wall. Your neighbour told you that she didn't want your six-month-old daughter at the dinner party. Nothing personal, she just couldn't stand her crying. Your husband said it would be fine. After all, you only live next door. You'll have the baby monitor and you'll take it in turns to go back every half hour. Your daughter was sleeping when you checked on her last. But now, as you race up the stairs in your deathly quiet house, your worst fears are realized. She's gone. You've never had to call the police before. But now they're in your home, and who knows what they'll find there. What would you be capable of, when pushed past your limit?

On Monday night 9 of us travelled to Brooke's and mostly we were on time. As usual Brooke put out a fantastic spread and after we had all caught up we got to the business of discussing the book. Most of us had read the book, one just finished it that night, a couple hadn't managed to finish it. Two guessed the plot before they had finished and one of these found the whole book boring and didn't finish it only scored it 4. We all found the people involved obnoxious and decided that Marco was manipulated from the outset. We found the couple next door were just horrid. Some of us felt the detective could have been filled out more but others felt he was just right and quite smart. The ending let the book down. Overall this book rated 8. Thank you Brooke for a lovely night we seem to be getting later these days got home at 11-30 p.m.

GFSA ongerup Mobile Daycare

Hi All!!!! It's been a few weeks since we have had a newsletter. We have had a bad run lately with unplanned power outages so we hope there will be no more power outages for the rest of the term!

This past week in Daycare we are still continuing with our Gardening theme. We made some beautiful sunflower paintings using forks and we even planted our own seeds! We have planted some spinach and some peas. The kids are very excited and we can't wait for them to grow so we can taste them.
