Yongergnow - Ongerup CRC Upcoming Events 2018

July 4th CRC school holiday
program begins
19/20 Auschem course
31st Auschem refresher
Sept 14th quiz night

**2018 wildflower show
17th September to
7th October.**

Last Sunday the 24th June we had 34 keen golfers for the Mens open Day. The course looks a treat thanks to Tom Hart's regular care and the busy workers who have come to our working bees. Thanks to our sponsors and everyone who helped run the day everyone had a great day and the final winners for the day were Phil O'Meehan and Phillip White with a score of 47 points and the runners up on a count back was Trevor Brown and Pete Nelson.

As the keen golfers this Sunday will be at Gnowangerup we will have a relaxing day of golfing at Ongerup so come join us. Be at the club house at 11.30 for 12pm hit off, come for 9 holes or as many as you like, or come in the afternoon at about 2-2.30 for the last 9. we would love to see you there.

MAKE THE MOST FROM YOUR FERTILIZER INVESTMENT.

Fuel Gauge strips provide real-time, specific and local response information for in-season nutrient decisions.

Talk to me about the use of N, P and K strips to monitor crop nutrient usage and availability.

Make sure your crops make the best of every season.

Expression of interest

Are you are landcare, weed action, friends of, conservation, or environmental group?

With today's funding release from the State Government North Stirlings Pallinup Natural Resources Inc. has an opportunity to support local groups that are interested in works that involve environmental activities such as weeding, revegetation, protecting waterways, regenerative farming or community gardens to name a few. You don't need to be incorporated, just a group of concerned citizens that have an interest in making a difference in the environment.

If this is you and you live within the NSPNR catchment. Please give Andrea or Helen a call on

0437 248 206 or send us an email at andrea@nspnr.com.au or helen@nspnr.com.au

AUSCHEM

ACCREDITATION & RE-ACCREDITATION

AT THE ONGERUP CRC

ABOUT AUSCHEM ACCREDITATION

Reaccreditation- 1 Day Course:

Participants must have completed Risk Management in Pesticide Use (or an equivalent qualification). Chemical users who have let their accreditation lapse for over 10 years are not eligible to attend re-accreditation programmes and will need to re-take Risk Management in Pesticide Use.

AusChem Accreditation: Risk Management in Pesticide Use- 2 Day Course

Participants will learn on a practical level how to improve their integrated pest management programmes, to better choose the right chemical for the job and to apply it more accurately. The course is designed for people who will be spraying chemicals without supervision. This is an accredited course and successful completion will lead to issuance of AusChem WA accreditation.
