As you may have seen late last week, the Minister for Regional Development has decided to continue to fund all Community Resource Centres to the tune of \$13 million per year.

THANK YOU THANK YOU THANK YOU to the many regional organisations and individuals who spoke up for our CRC network to tell the story of how important we are to our communities.

To every one of you who campaigned, posted on Facebook, contacted the media, signed petitions, stuck bumper stickers, wrote letters, rallied your community and the other million things you did to save our CRCs.

**This is a fantastic outcome! From Ongerup CRC**

## Book Club

### SHELTER IN PLACE BY NORA ROBERTS.

This Month's book was my choice. A choice that I found hard to pick as we had just read a book about a baby being taken and most of the current reads seem to be about babies or children being taken. I found this one and as Nora Roberts usually writes romance under this name and thrillers under JB Robb wondered how she would go. I felt she did an excellent job.

-----  
Sometimes, there is nowhere safe to hide.

It was a typical evening at a mall outside Portland, Maine. Three teenage friends waited for the movie to start. A boy flirted with the girl selling sunglasses. Mothers and children shopped together, and the manager at the video-game store tended to customers. Then the shooters arrived.

The chaos and carnage lasted only eight minutes before the killers were taken down. But for those who lived through it, the effects would last forever. In the years that followed, one would dedicate himself to a law enforcement career. Another would close herself off, trying to bury the memory of huddling in a ladies' room, hopelessly clutching her cell phone--until she finally found a way to pour her emotions into her art.

But one person wasn't satisfied with the shockingly high death toll at the Down East Mall. And as the survivors slowly heal, find shelter, and rebuild, they will discover that another conspirator is lying in wait--and this time, there might be nowhere safe to hide

On a very windy Monday night only 5 dedicated book club members met at my place. I did have a couple on written reports sent in. But we missed our usual rowdy crowd.

We all had read the book and enjoyed it. We found the characters solid and as one member put it this book had Action Adventure, Romance and a dog!!! What's not to like. We liked following all the survivors and how they each dealt with the trauma.

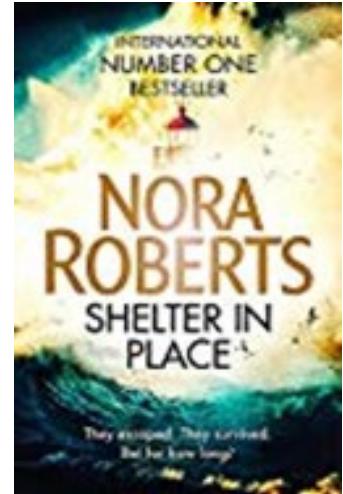

We felt the villain was great....had a high IQ but quite mad, one member did not even like reading about her she was so evil.

I personally found the ending slightly drawn out but one member found it ended too abruptly. We liked the crazy and eccentric grandmother.

Overall this book rated 8/10. Thank you ladies for coming I think we had a good night.

Next Month's book is Sandy's on the 10<sup>th</sup> of September.

Gail Vaux.
