Gnowangerup Family Support Association is designed to support and assist families to help children prepare for school and develop to their full potential. The service offers an educational program that is constructed by trained staff who have a passion in supporting children's development and education. The program is developed in line with the centre's philosophy, and the Early Years Learning Framework (EYLF), to support children's interests and holistic development. Children who attend the service will start to develop the necessary skills and knowledge expected at school within the 5 EYLF learning areas:

- Have a strong sense of identity
- Be connected and contributing to the world
- Have a strong sense of wellbeing
- Be a confident and involved learner
- Be an effective communicator

Within these 5 areas children will develop many skills such as:

- Independence
- Various forms of communication techniques
- Assertive listening
- Cognitive
- Physical
- Social and Emotional
- Problem solving
- Resilience
- Personal Health and Safety

These skills are developed through fun and inviting play-based activities. Therefore, we strongly encourage families to share as much ideas and information with us as possible, to ensure we are working together to implement a learning program that supports every child's interests and needs. Please speak to one of our friendly staff today by contacting us on 9827 1454 for further information and bookings.

Ongerup Primary School 2019

Pre-kindy Open Afternoon Term 3 2018

Expression of Interest

Dear Parents & Carers of Ongerup Regional Community

Children turning four years of age by June 30th 2019, are now eligible to enrol in Kindy for next year. If you know anyone who may be interested in this event please feel free to forward this information on to them. Or if this applies to you please feel free to give me a call and register your interest. We are now planning for 2019 and would like to meet with any new prospective parents and carers as soon as possible.

Last year, at our Pre-kindy Open Afternoon, we had a wonderful line up of special guest speakers that form the specialist support network here at Ongerup Primary School. This informative session allows prospective parents and carers the opportunity to meet some of our specialist support staff, ask questions, meet our K-2 teaching and learning staff, and visit the Joeys classroom.

If you wish to have enrolment forms sent to you or if you would like to discuss any matters concerning school next year, please give me a call on 9828 2033.
