## COORDINATOR A BOOST FOR REGIONAL VENUE

Borden Pavilion is welcoming a new era with the appointment of a paid coordinator at the Great Southern's premier regional function venue.

The part-time position has been taken up by 31-year-old Borden woman Pip Moir who has a solid professional background in marketing and journalism in Perth and Albany.

Ms Moir will be responsible for coordinating an increased profile for the modern facility, including driving growth in usage and hiring and negotiating marketing opportunities.

Borden Pavilion Committee Inc President David Bungey says it's an exciting new venture.

"The committee recognised a need to have a paid coordinator to bring some new life into the building so it can be used and enjoyed by not only our local community but people from all across the region."

Ms Moir says the local community has been enthusiastic in their support.

"I've already received some amazing feedback from locals as to how they want to see their pavilion used, so there are lots of ideas in the pipeline for 2019 and beyond."

Borden Pavilion is an ideal venue for events of any kind including small meetings, large conferences, concerts, parties and sporting activities.

120 kilometres north of Albany, Borden Pavilion is centrally located in the Gnowangerup Shire and in close proximity to the Stirling Range National Park.

The main function room is licensed to hold 400 people, with tables and seating for approximately 110 people. There is a large communal kitchen and bar area with a cool room. A courtyard with barbeque facilities adjoins the function room. The meeting room is able to seat up to 25 people. Crèche facilities are also available.

The Borden Pavilion sporting complex consists of football and hockey ovals, as well as two multi-purpose courts, cricket practice nets and a recently refurbished bowling green.

For information regarding hiring the facility please contact Borden Pavilion Coordinator Pip Moir at [admin@bordenpavilion.com.au](mailto:admin@bordenpavilion.com.au) or phone 0401 915 016.

Jerramungup District High School  
would like to invite you to:

Would you know what you'd do in a situation where your child's friend disclosed information about abuse? Have you ever considered what to say in the case of another child showing you pornography?

Often parents don't want to think about dealing with a situation like this. It's scary and they hope it won't ever happen to their child.

## What would you do?

Are you confused about how to teach your children to be wary of potential harm, without overloading them with fear, wrapping them in cotton wool, or giving them so much information that their innocence is damaged? Would you know what tried and true steps to take in the event a situation occurred?

## Come along to this Protective Education Workshop

Protective Education is a proactive whole community approach to teaching life skills to children. It gives them the language to identify unsafe situations, arm them with tools to seek appropriate assistance or protect themselves.

Date: **Monday 27th May 2019**

Time: **6pm to 8pm**

Venue: **Jerramungup Sports Club**. Crèche available - please book your child in when you RSVP

RSVP: **[Jerramungup.dhs@education.wa.edu.au](mailto:Jerramungup.dhs@education.wa.edu.au) or 9835 1233.**

## Two Themes of Protective Education:

*"We all have the right to feel safe all of the time."*

*"We can talk with someone about anything."*

## Protective Education Concepts:

Theme reinforcement	Safety Continuum	Networks
OK to say "No"	Secret Enablers	Protective interrupting
Yes/Safe/Comfortable feelings and No/Unsafe/Uncomfortable feelings	Risking on Purpose	Persistence
Three Safety Questions	Cyber Safety	One-step removed
Secrets	Early Warning Signs	Public and Private
	Network review	Problem-solving

There will be books and resources available for purchase at the workshop.
