Welcome Jayde Walker

Welcome to our new business trainee Jayde. Many will know Jayde's lovely smile from the Ongerup shop and we are very glad to welcome her to the CRC family. She will be busy learning all aspects of Yongernow as well as studying for her Cert 3 in Business.

Remembering Kaye Vaux

Kaye Vaux arrived in Ongerup in 1946 when she married Don Vaux and moved to Wigboro on the Ongerup Pingrup Road. She brought with her a great love for the land, instilled from her childhood in the Porongerups. Like so many farmers wives of the day she became a multi talented right hand man to her husband, book keeping, recording farm stats, helping out with machinery work, keeping a home and raising children.

In her younger working days Kaye had various office/bookkeeping jobs in central Perth and then at the Byford munitions factory during the war years.

Kaye had a deep and enduring love of flora and fauna, spending hours out with the family exploring and picnicking in the bush. A number of projects on the farm including saving remnant bushland, desalination work and tree planting were implemented through her research and passion.

Her energy and drive for speaking up about the needs in farming communities sometimes ended up in verse. She shared her love of poetry with many in Ongerup and there was some friendly rivalry with her friend Grace Foster who wrote verse and music to accompany it.

Kaye was a founding member of the friends of the Fitzgerald group, when she discovered they intended to mine the area she and many other passionate conservationists lobbied hard to have the area declared a National Park and later a World Biosphere area.

Kaye along with Joan Slee, Ann Bainbridge and Ann Flint formed a Cubs group for the local children. They took them on trips to Perth, some of the children had never been to Perth before. She was also involved in setting up the Ongerup Wildflower show and establishing the Ongerup Museum.

Kaye moved to Ongerup town in her later years and became an Avon lady, and she re-invented and sewed many, many wonder cushions which are still made today. She always had an ear out in Ongerup for anyone daring to use a chainsaw on her beloved trees and was quickly on the scene if one started up in town. She also had sharp eyes as one unlucky car thief found out ... her daughter Patti living in Mandurah told mum that their car had been stolen to which Kaye replied "I'll look out for it as they are probably heading east!" Kaye was living in the Ongerup caravan park at the time and a familiar looking HR Holden drove around the park and out again. Kaye promptly reported to the local police and the thief was apprehended just out the Jerry road. What followed was brother Len JP sentencing the guy to community service which he did at a football club shearing fundraising day at Vaux's shed!! As her health declined Kaye moved to a home in Albany in 2003 and quickly settled into life there enjoying the social life and the many outings on offer. Kaye passed away on 24.6.2019 aged 97 and was farewelled by family and friends in Albany leaving a legacy of conservation, community and family.

The Shire of Gnowangerup is pleased to announce that **Mr Bob Jarvis** was appointed to the position of **Chief Executive Officer** at the last Ordinary Council meeting on 26th July 2019.

Bob has kindly provided a brief introduction about himself:

'I am delighted to have been chosen to be the next CEO of the Shire of Gnowangerup, and I will commence the role on the 1st of October 2019. Many thanks to the council for its support and I look forward to living in, and serving, this community in such a beautiful part of the state. I was born in Albany, and still have family in that town and in the region, so I know the Great Southern area well, including the Stirling Ranges and surrounds – surely one of the iconic areas in WA.

I bring to the position 30 years plus local government experience, including more than 16 years as a CEO. I have worked at very large and very small local governments including the remote Shire of Cocos (Keeling) Islands. I have a Bachelor of Arts Degree, a Graduate Diploma of Business (tourism), and a Masters Degree in Business Administration. I am a proud father of two grown up and successful daughters, and now also a proud grandfather of a two-year-old granddaughter.

I consider my strengths to include strong communication skills, high standards of ethics, and a demonstrated ability to mentor and develop staff. I look forward to making connections with community and business organisations and working with the staff and Council to make the Shire the best that it can be. I have a track record in fostering strong economic growth and leading teams which have the highest standards of compliance, transparency, and accountability. I believe I balance these "hard skills" with a sense of humour and a love of life. I am more of a spectator these days in sport, but I play golf (badly) and I am keen to see if anyone can make a lawn bowler out of me.

My wife Elisabeth and I hope to get to know as many people as we can, and my extended family are all keen to make time to come and visit us and explore the surrounding country. Again, thank you to the Shire for choosing me and I look forward to making my presence felt in a very positive way with the Council, the staff and all who live and work in the Shire.

Bob Jarvis'

Bob brings a wealth of ideas and experience to the table and the Council is looking forward to working with him to reach our goals.

We also would like to invite eligible and interested Community members to consider standing for one of the four **Council vacancies** at the **forthcoming Local Government Election**.

The nomination period to become a candidate in the 2019 local government elections will open from Thursday 5th September 2019 and close at 4:00pm on Thursday 12th September 2019.

Details of an information session for people considering nominating for Council will be provided at a later date.
