**WATER CORP** Reminder to Gnowangerup Shire residents that they cannot rely on public water supplies in the event of a bushfire. As you may be aware, while Water Corporation makes every effort to maintain your water supply, a loss of electricity may cause pumps that transfer water to our storage tanks to fail, and we may not be able to respond to system failures in areas that are deemed by DFES or Western Power to be unsafe for our crews to enter. For those residents who choose to stay and defend their homes, it is imperative that they have an independent water supply as well as their own pumping capability.

# Ongerup Primary School

What are we up to now!

Greetings all!

With the coming of Christmas all is full steam ahead with our annual End of Year Concert and Awards Night preparations. I cordially invite our local community to come in and be part of this wonderful event. This year our students are presenting "Suessical the Musical". The formalities commence at 6.30pm with our generous P&C providing a light supper around 8.30pm.

## Public School Review

All Western Australian public schools are reviewed every three years. The reviews give assurance that a school is operating effectively and delivering high quality education to its students.

The Public School Review process complements the school's existing self-assessment processes and gives feedback to support the principal and staff with their continuous improvement planning.

In our self-assessment we identified specific areas that could be improved. The Public School Review and resulting report confirmed our assessment and supports our intention to prioritise these aspects of our school improvement.

The review highlighted levels of effectiveness in a number of areas. However, we are yet to achieve the whole-school performance and progress we are seeking and continue to work towards this.

In particular, we are striving to implement school-wide improvement strategies, which continue to be informed by the rigorous analysis of data and other evidence available to us.

We have discussed our position with our School Council who are supportive and encouraging of the direction our school is taking in addressing these recommendations.

## Overcoming Challenges

Despite the challenges that 2019 has brought to the school our staff has worked extremely hard in the delivery of quality teaching and learning. Throughout the year we have continued to extend and enrich our curriculum with a number of wonderful camps, excursions, incursions and engaging learning experiences. We have undergone extensive renovations and are currently developing a specialised "STEAM Room" for the delivery of Science, Technology, Engineering, Arts and Mathematics.

We are well-resourced; and through High Priority Government funding we continue to upgrade and improve our school grounds and buildings. We are also busily preparing for 2020. We have staffing arrangements in place, we have secured Chaplaincy funding 2020-2022 and our Senior Class "Boomers" are off to Canberra to explore our hub of Democracy.

In terms of performance our students are amazing, working well to their capacity. In NAPLAN and InCAS, two of our key performance assessments, our students have shone producing solid results across the board in Literacy and Numeracy. How we fare in comparison to "like schools" & WA Public Schools:

## NAPLAN Averages Year 3

Above "like schools" in Reading, Writing and Spelling (with our Year 3 Reading average equivalent to Year 5 like schools)

Above WA Public Schools in Reading & Writing

On par with "like schools" in Grammar & Punctuation

On par with WA Public Schools for Spelling, Grammar & Punctuation

## NAPLAN Averages Year 5

Above "like schools" & WA Public Schools in Reading, Writing, Spelling, Grammar, Punctuation & Numeracy

InCAS Testing at school level indicates the following regarding Literacy & Numeracy

As Tested	% Working Below Expected Age	% Working At Expected Age	% Working Above Expected Age
Reading	22%	22%	56%
General Mathematics	11%	11%	72%
Mental Arithmetic	16.5%	33%	50%
