Originally from Carnarvon, Stuart Laws started his journey at 44 King St in the heart of Perth. After spending some time in Melbourne, he returned to WA, he became the Executive Chef for Don Tapa at The Mante in Fremantle. Stuart designed a menu for Don Tapa featuring Western Australian produce in a style of cuisine never seen in Perth before called Nikkei - a Japanese-Peruvian fusion native to South America. Stuart focuses his time on his two businesses, Chefs Collective WA - his food consultancy business sees him work with venues all over Perth, plus his catering and event management business, Showcase Events WA, where he works closely with WA farmers, producers and businesses. Stuart specialises in events that showcase local, seasonal Western Australian produce.

Dear Ongerup Families

Thank you so much for taking the time to fill in the recent survey relating to which day of the week is the best day to run our mobile service in Ongerup in 2020.

After much consideration and some serious discussion, we have decided that in the best interest of the service and staff, we will continue to run in Ongerup on a Friday for term 1 of 2020. This is a result of the feedback we received from the community, and also, the fact that providing three services on one day in different communities, will certainly mean a restriction in staffing capabilities, something that we simply cannot run the service without.

If this results in fewer enrolments and less permanent children, we may reconsider whether a change of day would be more suitable in term 2. If you have any queries or concerns, please don't hesitate to contact myself or Katie Sherwood.

Thank you
