A plane with 5 passengers on board -- Donald Trump, Boris Johnson, Jacinda Adern, the Pope and a 10-year-old schoolgirl -- is about to crash and there are only 4 parachutes. Trump says "I need one. I'm the smartest man in the USA and I'm needed to solve the pandemic!" He takes one parachute and jumps. Johnson says 'I'm needed to sort out the COVID-19 mess in Britain'. He takes one and jumps. The Pope says, "The world's Catholics depend on me for comfort in a time of fear." He takes one and jumps. "You can have the last parachute," Jacinda says to the 10-year-old. "I've lived a good part of my life. Yours is only just starting." The little girl replies: "Don't worry, there are 2 parachutes left, the smartest man in the USA just took my school bag."

Maggie Beer's Hot Cross Buns recipe is perfect for Easter, when you would like to make homemade hot cross buns yourself rather than buying them.

- 1 Combine 4 cups of flour, yeast, sugar, mixed spice, salt and currants in a large bowl.
- 2 Melt butter in a small saucepan over a medium heat and add the milk. Heat for 1 minute, or until lukewarm. Add warm milk mixture and eggs to currant mixture.
- 3 Use a flat bladed knife to mix the dough until it almost comes together, then using clean hands, finish mixing to a soft dough.
- 4 Turn dough out onto a floured surface. Knead for 10 minutes, or until dough is smooth.
- 5 Place into a lightly oiled bowl and cover with plastic wrap. Set aside in a warm, draught free place for 1 – 1 ½ hours, or until dough doubles in size.
- 6 Line a large baking tray with non-stick baking paper. Punch dough down to its original size. Knead for 30 seconds on a lightly floured surface until smooth. Divide into 12 even portions and shape each portion into a ball.
- 7 Place balls onto the lined tray, about 1cm apart. Cover with oiled cling film and set aside in a warm, draught free place for 30 minutes, or until buns double in size.
- 8 Preheat fan-forced oven to 170C.
- 9 To make the flour paste, mix ½ cup plain flour and 4 tablespoons of water together in a small bowl until smooth, adding a little more water if paste is too thick. Spoon into a small snap-lock bag and snip off one corner to create piping bag. Pipe flour paste over tops of buns to form crosses.
- 10 Place into preheated oven and bake for 20 - 25 minutes, or until buns are cooked through.
- 11 To make the glaze, place water and jam into a small saucepan over low heat and stir until jam dissolves. Bring to the boil for 3-4 minutes, then remove from heat. Immediately brush glaze over warm hot cross buns.
- 12 Serve warm or at room temperature.

EASTER COLOURING PAGE

Rainbow Hunts around the world are lifting children and community spirits during a time of social distancing.

The idea sparked in Italy where children confined in their homes were unable to make social contact with their friends. They started creating and posting pictures of rainbows in their windows for other children to see while in their cars or on a controlled family walk. It became a form of safe scavenger hunt and the exercise has encouraged a social connection without making physical contact. What does the rainbow represent? Well nothing says it better than the painting to the right. →

Excuse the pun here but these kind gestures have now become viral and children and people alike across the world are hooked onto a global platform of connecting through rainbows. Google maps is involved and you can see on their site where rainbows have been spotted across the world.

For some inspiring stories get on your internet and google "Rainbow Hunt" to see the effects this project is having to lift the spirits of children and to those that they give messages of support to —each other, nurses, doctors, truck drivers, front line store people, posties, all using the image of the rainbow.

ONGERUP IS JOINING IN TOO!

Nobody says it better than children and it's a great art and social activity while having to be inside a lot more. Pull out the poster paints, chalks, coloured pencils. Let's get creative! State something positive to foster resilience. Then get out and about to see what others have done (by car or as a family walk). Post pictures of yours and others on Facebook to show friends what you have found, email them to the Ongerup CRC who will post them on their Facebook page & in the Grapevine. I'm sure if it only brings a smile to our faces for a short time it will be worth it. See below for some examples of what other kids have done.
