Yongergnow & CRC News

Woohoo!! The CRC is finally back open and ready to start planning more great events for the people of Ongerup! But first we want to show you some of the cool things we have had the kids doing while we've been away. Firstly, Luca & Isabella Spink joined in the worldwide Rainbow Hunt that started in Italy to lift the spirits of children during a time of social distancing.

Next, we ran a competition for the kids to colour in some fairies and dinosaurs. Congratulations to Kira, Haley & Casey for being our winners! Thank you for sending through your pictures. Please come in to collect your prizes.

We have now started re-planning a few of our postponed events. The Fox Shoot has been moved to Friday 26th June which we plan to start the evening with a community BBQ this year, instead of the usual breakfast the next day. We are hoping that another lot of restrictions will be lifted by then and we can have more than 20 people attend, making the barbeque a community event where everyone is welcome to come along for a catch up before the competing shooters head out. On the Saturday morning, we will meet those who've been out at the Ongerup tip for a tally and the winners to be announced. Only teams who have registered with the CRC prior to the event will be eligible to win. There will be bacon & egg burgers at the tip for all involved.

The much anticipated Cheese Making Workshop is also back on the 24th July! All the places have been held for those who previously RSVP'd and we have only 1 spot left. Please contact us as soon as possible to snap it up!!

The Yongergnow Café now has a new menu! The idea was sparked when we had to make things a little more take-away friendly and the menu now has a few different choices. There is also new fresh options available in the cake fridge for a quick easy lunch. If these prove to be popular, they will be an ongoing availability. Please be sure to come in and check out the salads, sandwiches and quiches on offer this week!

You may have seen on our social media that all of our staff have completed the Covid Hygiene Officer training that all food businesses are required to complete ensuring they are up to speed on how to handle the current situation before re-opening.

Whilst we were closed, we received an order of Yongergnow t-shirts for our visitors to take back to wherever they live and promote our beautiful centre. We have decided that it might be worth offering our supportive community the chance to pre-order their own shirts to wear around and get the Yongergnow name out there! Please contact us on 9828 2325 to order yours for \$25 each.

RECORDS AND RESEARCH OFFICER

ASSET AND WASTE MANAGEMENT COORDINATOR

Situated in the heart of Western Australia's Great Southern region, the Shire of Gnowangerup is an inclusive, progressive and prosperous community. The Shire includes the stunning Stirling Ranges, three towns, attractive rural landscape, and boasts a relaxed country lifestyle, yet includes all of the benefits of having a regional centre with excellent amenities. The Shire is seeking a skilled Asset Management professional for the position of Asset and Waste Management Coordinator.

As the Asset and Waste Management Coordinator you will manage the operations of the Shire waste facilities and services, develop and implement the Shire's Asset Management framework and develop plant replacement and building maintenance/renewal programs. You will also provide leadership to a small asset management and maintenance team. The successful applicant will have experience in developing and implementing asset management plan. Knowledge of waste management, Local Government Integrated Planning and Reporting and Local Government software (SynergySoft or similar) will be well regarded.

This position is offered under a three to five year performance based contract, with an attractive remuneration package, to be negotiated with the successful applicant, and a cash component (base salary) between \$78,000 and \$90,000 per annum depending on qualifications and experience. Salary and benefits are subject to negotiation and benefits may include, but not be limited to, a base salary, superannuation, subsidised housing if required, commuting use of motor vehicle and a professional development allowance.

To be considered for the Asset and Waste Management Coordinator position with the Shire of Gnowangerup applicants must address the Selection Criteria as detailed in the Application Package. To gain a copy of the package e-mail anita.finn@gnowangerup.wa.gov.au. For more information please contact CEO Mr Bob Jarvis by calling (08) 9827 1007.

Applications close at 5:00pm on Monday, 25th May 2020. (Canvassing of Councillors will disqualify).

BOB JARVIS
CHIEF EXECUTIVE OFFICER

Situated in the heart of Western Australia's Great Southern region, the Shire of Gnowangerup is an inclusive, progressive and prosperous community. Greetings All!

Overall considering COVID issues we have had a great start to the year. Our numbers have increased to 21 students. To date most of our students have attended school regularly with our Term One attendance the highest in the Southwest Region as the Corona Virus took hold towards the end of term. We have had some great initiatives, such as our Term One "Virtual Assembly" and the further development of our STEAM Room with new teaching resources, IT equipment and new furniture purchased.

We have a wonderfully positive staff along with a dedicated support network:

Joeys Room K-2

Classroom teacher Mrs Jansen, our General EA Mrs Lefebvre for three days a week (also a qualified teacher), Mrs Pocock Special Needs EA two days a week.

Boomers Room Years 3-6

Classroom teachers Miss Buckley four days a week and Mr Bruce one day a week.

School Chaplain - Pastoral Care

Mrs Hooper two days a week

Master Swalwell, on work placement one day per week.

School Support Staff

Mrs Ireland and Mrs Bruce - shared Manager Corporate Services role.

Mrs Osborne - Gardening and maintenance

Miss Santina and Mr Mercer sharing a fulltime cleaning role during the COVID intervention.

Plus, a terrific external support network comprising of our; many relief staff, School Psychologist, School Nurse, Principal's Chaplain, the Katanning WA Health team including - Speech Therapy, Dental, Occupational Therapy, Population Health and Physiotherapy. We are extremely fortunate to have these services available to assist us in supporting our students, staff and families. For a small school we are very well resourced and supported.

During the COVID response our families and staff have all played significant roles in keeping our students focused and on task. Thank you to all! The students have been wonderful, last year with the asbestos and this year the pandemic. They have certainly showed a great resiliency and ability to adapt. Now as COVID restrictions are easing, we have reconvened various meetings and are looking forward to further community interaction, excursions and the like. Though disappointed, our Boomers class have rescheduled their Canberra Camp to June 2021. Please stay tuned for further news.

Paper and flora ANZAC wreaths made by all our creative students.
