The annual Lake Grace/Pingrup vs Boxwood Hills Winter Sports Big Freeze will be on Saturday 15th of August 2020 at the Lake Grace Sports grounds.

People from both communities have been affected by MND. Every day in Australia 2-3 people are diagnosed with MND. It's a BEAST of a disease. This fundraiser in support of FightMND is in its fourth year and has raised over \$150,000!!! This money has gone to the best and brightest research to help find a cure for MND. But the fight goes on... Special guest: Matt Priddis and yes he will be going down the slide! There will be Live band, Auction and Dinner in the evening.

Boxwood played host to Gnowangerup last Saturday. A great day of sport was enjoyed by the large crowd who attended. Next week is the last game before the finals so get along to Lake Grace and help support their Big Freeze day. As always thanks to Judy Kerse for these amazing photos

AUGUST BOOK CLUB REVIEW 2020

THE UNHONEYMOONERS BY CHRISTINA LAUREN.

Writers Lauren Billings and Christina Hobbs are the creators of Christina Lauren and they write the works together, but publish them in the form of one person – Christina Lauren, a combination of their respective first names. Christina Lauren's works primarily belong to the young adult, romance, and contemporary genres. Accordingly, Lauren's books have been featured on the prestigious bestsellers lists of USA Today and the New York Times. Even in terms of international sales, Christina Lauren has achieved quite a lot.

For two sworn enemies anything can happen during the Hawaiian trip of a life time. Olive is always unlucky: her identical twin sister Ami however, is probably the luckiest person in the world. While she's about to have her perfect day marrying her dream man. Olive is forced to play nice with her sworn enemy: the best man Ethan. But Olive's luck is on the turn. When the entire wedding party - except Olive and Ethan – get food poisoning, there's an all-expenses paid honeymoon in Hawaii up for grabs. Olive and Ethan head for paradise, determined to avoid each other. But when Olive runs into her future boss, the little white lie she tells him threatens to spiral out of control. Forced to play loving newlyweds she and Ethan find themselves in much closer proximity than they ever expected. But soon Olive finds that maybe she doesn't mind pretending.

On Monday night six of us made our way to Sandy's. Jill was away enjoying herself in the sun, Mel had a sick child and was needed in Bunbury. Leanne was an apology. It was nice to see Stacey again after a long break. We found this book an easy light read. Good holiday fodder really. Some took time to get into it but it made some laugh out loud. It really is just time filler and if life is getting in the way, a great stress reliever.

As everything turns out roses and glow. The hero is handsome, the villain nasty, the heroine is useless but gets her man in the end. Think it mostly scored a 6.

We then spent the rest of the evening enjoying a good catch up and sampling the red wine that Sandy had got at the wine tasting. The supper was as usual superb. Thank you Sandy for a lovely night.

Next Month is Caz's book she is holding the meeting the first Monday of the month which makes it the 7th of September.

Hopefully we will welcome Nicole to this meeting as she was unable to attend this month.

Are you looking for a more economical way to heat rooms in the house from your wood fire?

Heat / Air Transfer systems are a great way to efficiently heat several rooms utilising one heat source. Many of our clients have a room with a strong heat source such a fireplace or heater, and wish for some of that heat to be dispersed throughout the house. A heat transfer kit will utilise the heat being generated in an already heated room and efficiently transfer the excess heat through the ceiling into other rooms. This is an energy efficient heating solution with low running costs.

Call us today to discuss having one of these great systems installed in your home!
