Don't forget the sports finals being played this weekend - 2nd semi-finals on Saturday at Lake Grace - 1st semi-finals at Newdegate on Sunday. Good luck to all teams to finish off the 2020 short season!

NETBALL Natter from super coach Kelly

The final match of the (ir)regular ONA season was a fierce and feisty game against Lake Grace/Pingrup. It was goal for goal in the first quarter with the pressure index higher than Bongy's hopes for a son.

New recruit Tara Buckley has been instrumental in adding zip and dash to the centre court and used this to swarm the opposition, creating valuable turnover opportunities. Both teams have an even mix of A & B players so the quality of contest was high across the second quarter, with Lake Grace/Pingrup proving more consistent in goals despite the blustery conditions. The Boxwood girls staged a valiant fight back in the pivotal third quarter led by the hard running of Dimity McMorran and defensive stoush of Shannon Farthing. The rage couldn't be maintained though and we lost by 9 goals.

We are looking forward to the rematch, this Sunday, for the 1st Semi Final at Newdegate, where the indoor courts will suit the flair and aerial skill of our shooters Georgia Davies and Elle Harland.

In a year of unknowns, the team has been incredibly enthusiastic and positive about training, games and all the small unheralded jobs that must get done each week. The club is so well led from the top by Brittnee and Emma. Our thanks to Ali Hocking for being a committed member of Team White. We are very grateful for her willingness to undertake the daunting role of Umpire each week despite our questioning looks and dodgy footwork.

Don't forget to check out our new menu!!

ANNUAL BIG FREEZE FUNDRAISER

What a fabulous effort from the combined Bombers communities last Saturday at Lake Grace to raise funds for the fight against Motor Neurone Disease. Over \$65000 was raised through the generosity of sponsors and the hardy souls who braved the icy ride down the slide into a pool of freezing water. MND is a neurogenerative disease. It affects nerve cells that control the muscles which enable you to move, speak, breathe and swallow.

Both Lake Grace and Boxwood communities have been impacted by this devastating illness.

This brings the total raised over the last four years to \$230,000.

Great effort everyone!

Ongerup P&C News

The Ongerup P&C met on Thursday 13 August and are back in action with some exciting fundraising events happening very soon.

An update on these events include:-

Veggie Box Raffle: There are still some tickets available in our Veggie Box raffle for anyone who hasn't bought any yet. Tickets are \$2 each (or 3 for \$5) please see Katrina Deering to get yours. We are happy to deliver to the surrounding area and Albany. If tickets sell out then the raffle will be drawn at our wine tasting event, otherwise at the end of Term 4.

Battery Drive: Is ongoing. If you have any old batteries lying around, please bring them into Ongerup Tyres or if you have more than 1 or 2 – we will collect them from you! Ring us to arrange pick up.

Ongerup P&C Exclusive Wines

Ongerup P&C now has its very own wines available for purchase by the dozen. You can buy all of your favourites or a case of mixed wines. We will be hosting a wine tasting on **Thursday 17 September 2020** at the Ongerup Sporting Complex from **6:30pm**, so you can try before you buy. \$24 from each case goes directly to the P&C and you'll have fun drinking the wine! Information, on how you can buy our wine will be coming out soon.

Doralane Food Orders

The P&C has taken over the Doralane pastries harvest food drive from the Ongerup Red Cross. As usual, there are numerous delicious choices of pies, pasties and sweets to fill your freezer for the upcoming harvest. Get organised now! Order forms are in the grapevine and need to be returned by **Thursday 24 August**. If you require a hard copy of the order form, please contact me and I will be happy to get one to you.

Things to Keep Watch For:

On 1 October the WA government will be providing a 10c payment back for the collection of approved recyclable items. The Ongerup Primary School will be the collection station to accept your donations. A flyer on what is accepted and what is not will be published shortly.

If you want to keep in touch with what's going on at Ongerup Primary School, the school has a great little newsletter that comes out regularly. Please contact the school to receive your copy by email.

Our next meeting is coming up in September. We welcome all parents and community members to come along.
