# News from Yongergnow

There are lots of new books on the shelves - come and have a visit to the library and get yourself some reading matter. There are also plenty of audio books for those road trips if you are getting out and about in springtime and school holidays.

Both CRC and Yongergnow committees held their AGMs last Friday then joined together for a meal afterwards at the Centre. Gail was farewelled with a bunch of flowers and a few words from Jane, in the absence of our President Roz. Gail was inaugural president when the Telecentre was first opened in 1998 in the front of the hall and stayed at the helm for 10 years and set the ship well on its course. We morphed into the Community

Resource Centre and made the move to Yongergnow in 2008. She has been a committee member for all this time helping ably with catering and events, and along with George supporting all goings on with CRC and Yongergnow. Gail is well known for her literary likes and has helped out with the library now that it is housed at Yongergnow using her long experience as shire librarian. There are many other things that Gail will be remembered for in the community, some being her sense of humour and her pithy and (in)decent straight talk!

Best wishes on your move, Gail!

With the staff, Stevi has been malleefowl surveying up north at Mt. Gibson for this week and feeling the hard slog of covering many miles with a team. Rebecca is attending a CRC manager's conference in Perth for 2 days. There has been an increase in the springtime foot traffic into the Centre and we are hopeful for the crowds to keep coming for a few

months. The new coffee machine is well used and there is another brand of coffee beans being tested out so for all the coffee drinkers bring your friends up for a cuppa.

Thursday 8th October from 6am to 9am
