AN INVITATION

MAKE XERO COUNT

A PRACTICAL XERO WORKSHOP FOR BUSINESSES AND FARMERS

RSM in Katanning and Ongerup CRC invite you to an Interactive and Informative session for current (up to Intermediate level) and potential Xero Cashbook users. This session will be presented by Jimmy Smit and Marie Van Blommestein from RSM in Katanning.

- Customising your file.
- Using contacts efficiently.
- Reconciling the bank including effective use of rules, matching, cash coding and common errors.
- Payroll including the back-end settings, templates, leave accruals, correcting errors, employee time sheets, finalisation and STP.
- Sales invoices/debtors including files, emailing, getting paid quicker.
- Bills to Pay/Creditors including processing hacks, credit notes, batch payments.
- Products and services.
- Budgeting and cash flow forecasting for agribusiness – a basic live demonstration of Figured and Xero integration.
- Getting the most out of Xero reporting.
- Useful tools including search functions and efficient recode functions.

Date: Friday, 30th October 2020
Time: 9:00am – 12:00pm
Including a 1 hour open session with one-on-one support for individual/specific questions.
Venue: Ongerup CRC
Lot 260 Jaekel Street
Ongerup WA 6336
Cost: \$95 pp (morning tea supplied)

Attendees are encouraged to bring their own laptops/iPads.

To register please contact Ongerup CRC on (08) 9828 2325 or ongerup@arc.net.au by 29th October or [click here](#).

MEET THE SPEAKERS

Jimmy Smit
Principal, Katanning

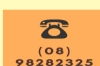

Jimmy joined the Business Advisory division at RSM in Katanning in 2006 after emigrating from South Africa where he had been involved in his family farming operation. Coming from a farming background, Jimmy has a great understanding of the challenges faced by businesses in the agribusiness sector.

Marie Van Blommestein
Senior Manager, Katanning

Marie has more than 12 years' experience in public accounting, serving high net worth individuals, partnerships, companies, trust, trust law and deceased estates in the business and agricultural sector. Marie is also a partner and active farmer in her family cropping and livestock farming business. With an interest in farming and agriculture, she experiences firsthand the challenges of farming in the Great Southern region.

Situation Vacant

North Stirlings Pallinup Natural Resources Inc, located at the Pallinup Landcare Centre in Borden, in the Shire of Gnowangerup, is seeking a highly motivated and enthusiastic person to take on the role of Office Manager.

This position will be managed by the NSPNR Executive Committee, working from 8 to 16 hours a week in the Pallinup Landcare Centre with the NSPNR Natural Resource Management Officer.

The position involves administration, finance, communication and marketing.

The successful applicant will be able to proficiently attend to emails, and confidently use Word, Excel and Power Point. You will be responsible for accounts payable & receivable, BAS reporting, Payroll, Superannuation and financial reporting as required. A sound knowledge of Xero will be beneficial for this role. You will work with the Treasurer to assist with budgeting, provide administration support to the Management Committee and help the NRM with events such as field days and workshops.

For a copy of the job description and selection criteria please contact Sarah Bungey on 0488 146 292 or email sarah@bungey.com.au. Applications will close on Friday, 30th October 2020.

Ongerup Primary School - What are we up to now! October 2020

"Student Recycled Flowers at the Wild Flower display"

Greetings all, Term 4 - the last quarter!

As COVID restrictions are still very important at school we remain vigilant with all precautions and hygiene practices still in place. As we move into this busy term we have many wonderful experiences to look forward to; The Boomers Surf Education Camp to Albany in November - to be tied in with the Science Week theme of "Deep Blue", the Joeys Big Day Out to Katanning and of course our End of Year Musical "Mulan" on Wednesday the 9th of December at the Ongerup Hall.

This week we had a very positive School Council meeting, looking at our School Review progress and the 2019 Annual School Report. This report will be available soon at the Department of Education - Schools Online website. Despite the challenges of 2019 our staff and students produced fantastic results and participated in some wonderful curriculum enrichment opportunities. Currently we are in the process of looking for a new School Council "community

member" to join our team. If you wish to participate in helping guide our school's direction please contact me and we can discuss requirements of the role.

As we near the end of our current School Business Plan we have commenced annual data analysis and planning for our new 2021-2023 School Business Plan. Shortly students, staff and parents will be invited to complete online surveys as a part of our ongoing annual school improvement cycle.

As always, I welcome anyone from the community to come in and have a chat, present ideas or share any concerns with me.

Mark Bruce

Principal

Ongerup bowling club

Well we've had a full weekend of bowls again, starting off with Scourgers on Friday Night with 4 rinks being used. Scourgers is a great way to start having a roll-up.

Saturday morning saw Ongerup hosting the Ladies Pennants, Jerramungup beating Gnowangerup and Ongerup having an extremely good win over Tambellup, giving us 2 wins and on top of the ladder for the 2nd week in a row 😊

The Men played at home both days over the weekend, played against Tambellup on Saturday afternoon, going down by 5 shots on the aggregate with 1 rink win.

Sunday's game was against Gnowangerup Red once again only 1 rink win but that win was enough to cover the other 2 rinks on the aggregate board

The boys are only .5 out of the top 4 great achievement boys keep up the good work.

Are you a traceability ace?

Stock traceability is the first step in good biosecurity and is a key part of everyday sound farm management practices. Traceability is essential to maintain access to export markets and for food safety. It allows stock to be traced for disease or residue purposes and deters stock theft.

How are animals traced?

If you own cattle or other livestock, you must register as an owner of livestock, identify stock correctly, obtain a property identification code (PIC) for each property where you keep them and record movements to your property on the National Livestock Identification System (NLIS) database.

Cattle must have a registered identifier (brand and/or earmark) and an NLIS electronic device that enables animals to be tracked from property of birth to slaughter or export.

Don't break WA's livestock traceability chain

A weak link can break traceability and cost you market access.

For help with traceability, contact DPIRD:
T: 1300 WA NLIS (1300 926 547) or
E: nlis@dpird.wa.gov.au
W: agric.wa.gov.au/livestock-movement-ID

1 Register as an owner of livestock and obtain a property identification code (PIC) for each property where you keep livestock

2 Identify your livestock correctly. See agric.wa.gov.au and search 'livestock NLIS'

3 Complete a NVD/waybill every time you move stock from a PIC

4 Record within 48 hours on the NLIS database all stock coming onto property

Cattle Industry Funding Scheme

Are your cattle registered to your property?

The Department of Primary Industries and Regional Development (DPIRD) find that half of all traceability non-compliance issues involve cattle that are not registered to the PIC they are leaving from. This breaks our traceability chain, is a potential biosecurity and market risk and can also hold up processing at the abattoir.

Don't get caught out!

Now - and not when loading the truck - is the time to check that your cattle are registered to your property by using an NLIS scanner. Scan the tags and DPIRD can assist you to run a check on the NLIS database and to update any missing movements.

If you do not have a scanner, they are easy to use and available to loan from the Jerramungup CRC or by contacting **1300 WA NLIS (1300 926 547)**, or email nlis@dpird.wa.gov.au. Further information is available on agric.wa.gov.au/livestock-movement-ID
