CLEAN UP ONGERUP DAY Many thanks for all the helpers last Saturday and Sunday for cleaning up streets and town approaches. Hopefully this will keep us looking good for a while! After all the rain there will be easy pickings of gazania weeds so choose your patch and chip out and bag up to keep them from taking over our precious native plant areas.

Yongergnow News

Yongergnow is in the midst of an exciting project which involves the incubation of four Malleefowl eggs.

Malleefowl will lay on average 30 eggs in a favourable season, unfortunately the chicks have a mere 1-2% average survival rate, statistically speaking they would be lucky to have 1 chick survive to adulthood every 2 years. This is largely due to pressures from feral predators and invasive species as well as habitat loss leading to a reduction in food availability.

In compliance with the department of Biodiversity, Conservation and Attractions, Yongergnow has sourced eggs at the end of the breeding season in hope to incubate them and, once they hatch, to become the new ambassadors for Malleefowl conservation at the centre in Ongerup.

We have had 3 chicks hatch so far of the 4 eggs and we hope that in the future they will be able to actively contribute to on-ground conservation of Malleefowl. There are multiple communities, organisations and individuals dedicated to the conservation of this amazing bird and with their help we will endeavour to implement more monitoring to better understand the surrounding Malleefowl populations and develop our knowledge on how we may be able to assist them in recovering their population numbers.

SHIRE OF GNOWANGERUP

COMMUNITY FINANCIAL ASSISTANCE GRANTS 2021/22

Community Groups within the Shire of Gnowangerup are now invited to apply for Community Financial Assistance Grants (CFAG) Program. There are three categories of funding available for projects taking place in 2021/22 financial year.

1. **Quick Grants** - for applications up to \$500.00, primarily for volunteer support.
2. **Community Grants** - for applications from \$501.00 - \$5,000.00 aimed at supporting community groups with small capital projects, events, projects etc.
3. **Special Requests Community Grants** - for applications from \$5000.00 - \$20,000.00 aimed at supporting community groups with large capital projects, events, projects etc. The purpose of the grant is not to fund operating costs.

Comprehensive guidelines, application forms and acquittal statements for each category can be found on our website under "Public Notices" or by contacting the Shire Office on 9827 1007.

Requests for operational funding, works-in-kind or reimbursement for expenses prior to the 2021/22 financial year will no longer be accepted under the guidelines. Furthermore, this is now the only pathway to request Council contribution for partnership funding for any project throughout the year. Please consider all events, projects or infrastructure your community group is planning for the 2021/22 year carefully, as applications will only be open once per year.

If your community group is interested in applying for assistance under any of the grant categories, please make contact with our Community Development Coordinator, Kirsty Buchanan on 9827 1007 or email kirsty.buchanan@gnowangerup.wa.gov.au to discuss your idea.

Step 1 - Contact the Shire of Gnowangerup to discuss your project idea on 9827 1007

Step 2 - Complete the respective Grant Application Form.

Step 3 - Submit the application form by **4:00pm 28/5/2021**.

Step 4 - Applications are assessed; Council approves suitable applicants at the Annual Budget meeting.

Step 5 - Applicants are notified in writing in August 2021.

We look forward to supporting our fantastic community organisations in 2021/22.
