SHIRE OF GNOWANGERUP

STORAGE OF VEHICLES, VESSELS AND MACHINERY ON TOWNSITE PROPERTIES – GNOWANGERUP, BORDEN AND ONGERUP

The Shire of Gnowangerup would like to advise all property owners and residents that over the next few months the Shire will begin a townsite clean-up campaign to ensure our three townsites look fantastic and welcoming to our residents and visitors.

The Shire currently has an [Animals, Environment and Nuisance Local Law 2016](#). Section 3.6 of this local law currently states the following:

3.6 Storage of vehicles, vessels and machinery

The owner or occupier of a lot shall not—

- (a) store, or allow to remain in public view on any lot, more than 1 vehicle, vessel or machinery (whether licensed or not) in a state of disrepair;
- (b) store, or allow to remain in public view on any lot, any vehicle, vessel or machinery in a state of disrepair for a period in excess of 1 month;
- (c) store, or allow to remain in public view on any lot, any vehicle parts, vessel parts or machinery parts (including tyres);
- (d) wreck, dismantle or break up any vehicle, part or body of a vehicle, vessel or machinery except where performed—
 - (i) inside a building; or
 - (ii) within an area enclosed by a fence or wall of not less than 1.8 metres in height and of such a nature as to screen all vehicles, parts or bodies of vehicles, vessels or machinery from the thoroughfare and from adjoining properties; or
 - (e) wreck, dismantle or break up a vehicle, vessel or machinery so as to cause a nuisance.

The Shire of Gnowangerup is now requesting that all property owners and residents remove all disused vehicles, vessels and machinery from your property by 30th June 2021.

In the upcoming weeks, the Shire will be commencing townsite inspections to identify non-compliant properties that will then be notified accordingly.

Consolation

By Gary Disher

The Book Club for the month of May was held at my house and we reviewed my pick “Consolation” by Gary Disher. Despite the excellent reviews for a suspenseful and fast-paced novel, Disher’s latest novel was a bit flat and over the top in places. It was enjoyable however; and we all agreed that we would like to read more of Disher’s novels in the future.

“Consolation” portrays the life of a small town police officer and community well; with the cop—Hirsch—acting as handy man, social worker, friend and therapist, with rural gossip and financial hardships depicted in the community.

“That achieved –context established-the cop in him began to emerge. Protector and enforcer. He watched over the teen siblings who cared for their manic-depressive mother, the old woman whose husband wandered off if her back was turned, the Indigenous kid who’d come halfway to thinking Hirsch wasn’t the bashing kind. And he watched for stupidity , cunning and plain malice.”

This paragraph sums up our hero—Hirsch—well. We all agreed that he was a good guy and a great character (maybe even a bit on the sexy side for some of our older readers!) and the small town rural life was relatable with the country scenery described effectively.

Our next meeting in June will be to review Judy’s book and have an awesome time!
