Action at the Ongerup Bowling Club

Last Saturday the members held a busy bee to prepare for the renewal of a new playing surface and improving the surrounding banks. It's been decided to change the artificial playing surface to one that bowlers prefer, and this surface needs a watering system built into the banks, so that was the first job to get ready. With all the helpers, the old matting on the banks got rolled up, a big thank-you to the Harding family for lending the excavator to make easy work of lifting everything out, thanks to Daniel Jones for this, also thanks to Tim O'Neill and his handy ditch witch. They got the trenches dug just in time for lunch! The new reticulation pipes should go in soon, then later on the main playing surface can be done. Hopefully before the next season starts. We had 9 volunteers for the day who stayed on for soup and sandwiches supplied by the ladies.

Main street project

Our main street project is taking shape with busy bee to erect the new town entrance statement sign. Thank you to all our volunteers for a terrific job. The town is bustling with tradespeople installing tanks and irrigation and we hope to start planting the garden beds soon.

SHIRE OF GNOWANGERUP

STORAGE OF VEHICLES, VESSELS AND MACHINERY ON TOWNSITE PROPERTIES – GNOWANGERUP, BORDEN AND ONGERUP

The Shire of Gnowangerup would like to advise all property owners and residents that over the next few months the Shire will begin a townsite clean-up campaign to ensure our three townsites look fantastic and welcoming to our residents and visitors.

The Shire currently has an [Animals, Environment and Nuisance Local Law 2016](#). Section 3.6 of this local law currently states the following:

3.6 Storage of vehicles, vessels and machinery

The owner or occupier of a lot shall not—

- (a) store, or allow to remain in public view on any lot, more than 1 vehicle, vessel or machinery (whether licensed or not) in a state of disrepair;
- (b) store, or allow to remain in public view on any lot, any vehicle, vessel or machinery in a state of disrepair for a period in excess of 1 month;
- (c) store, or allow to remain in public view on any lot, any vehicle parts, vessel parts or machinery parts (including tyres);
- (d) wreck, dismantle or break up any vehicle, part or body of a vehicle, vessel or machinery except where performed—
 - (i) inside a building; or
 - (ii) within an area enclosed by a fence or wall of not less than 1.8 metres in height and of such a nature as to screen all vehicles, parts or bodies of vehicles, vessels or machinery from the thoroughfare and from adjoining properties; or
- (e) wreck, dismantle or break up a vehicle, vessel or machinery so as to cause a nuisance.

The Shire of Gnowangerup is now requesting that all property owners and residents remove all disused vehicles, vessels and machinery from your property by 30th June 2021.

In the upcoming weeks, the Shire will be commencing townsite inspections to identify non-compliant properties that will then be notified accordingly.

If you missed out on placing an order, its not too late. Let me know as we will be placing another order if we have enough interest. We also have some spare beanies available to purchase just in time for Winter, again contact me if you would like one.

P&C Day – P&C Day is coming up and is a celebration to acknowledge the hard work of our P & C's

WACSSO Annual P&C Conference - We are pleased to be sending 2 delegates to attend the WACSSO Annual Conference in Perth where P&Cs are able to network with others from around the state and also an opportunity to raise education issues. We hope Emma and Kiara have a fantastic time.
