THE BIG FREEZE

Congratulations to the Boxwood and Lake Grace sporting communities for another amazing Big Freeze fundraiser for MND. Both communities have been impacted by this insidious disease and are very passionate about fundraising for a cure. It was a beautiful day to celebrate the new extensions to the Boxwood Sporting Club. A large crowd gathered to enjoy a full days sporting action and to watch some very hardy souls go down the big slide into a tub of icy water! Well done to all the organisers and the Boxwood sporting community who worked overtime to have their new facilities ready for the day.

Ongerup Book Club

“A Home Like Ours” by Fiona Lowe was read for the August meeting. Five girls braved the wintry conditions to get to Sandy’s house.

A few of the members were away, maybe in warmer parts, but most had read the book.

The story was set in a ‘small’ (population 7000 !?) Australian country town and three women from wildly different loyalties come together to reveal secrets and lies from within the community.

Each woman’s perspective was very revealing and their changing attitudes along the way made for a good flowing story that all of us could relate to. The local shire, a hardware shop, a community garden and the immigrant residents were all settings for encounters of prejudice and privilege.

The book rated an average of 7.5/10 from our readers.
