## Ongerup Sporting Association Grand Final Day @ Boxwood

Congratulations to the Boxwood sporting community who hosted an amazing days sporting action last Saturday. The grounds and new extensions looked a picture and the huge crowd enjoyed the beautiful spring weather, delicious food and the great atmosphere.

As well as the sporting action, Rick Wilson MP joined with Jo Iffla, the Jerramungup Shire Vice President and Boxwood Sporting Clubs Jarrod King, to officially open the brand new extensions to their facilities.

Boxwood had three teams vying for the Grand Final trophy, the B Grade netball girls started the day with a thrilling 2 point win over Gnowangerup 41 - 39 with Boxwood's Ellie Stone taking Best on Ground in the Grand Final and Association F&B. The junior netballers continued the winning streak with a win over Jerramungup 31-21 with

Fenella O'Neill taking Best on Ground in the grand final. The footy boys were not so fortunate as they lined up against an unbeaten Gnowangerup. In a nail biting game they managed to level the scores but Gnowangerup had a late charge to win the Grand Final 57—35.

Best on ground were Mat Campbell, Nicholas Bertola and Jeremy Walker.

# **Neighbourhood Watch.**

## Seeking Feedback- Neighbourhood Watch in Gnowangerup Shire

Are you concerned about crime in our community? Would you like an anonymous way of reporting? Do you like the idea of your neighbours working together to combat crime in our community?

In conjunction with the Gnowangerup Police, we wish to seek feedback from all residents in the Gnowangerup Shire as to the establishment of a Neighbourhood Watch scheme which may incorporate a Rural Watch component.

Please let us know by commenting, email or telephone Gnowangerup Shire Office on 98271007 or [gnp-shire@gnowangerup.wa.gov.au](mailto:gnp-shire@gnowangerup.wa.gov.au). We welcome all suggestions and feedback and look forward to hearing your thoughts.

'The overall aim of the program is to encourage individuals and communities to participate in preventing and reducing property crime and improving personal safety.

The program can be used to assist the [Western Australia Police](#) in its efforts to reduce crime in the community by:

- increasing communication and knowledge amongst neighbours
- reducing the fear of crime in the community
- reducing preventable crime
- encouraging reporting of suspicious activity in your neighbourhood
- improving the quality of information passed to police
- improving the level of home security in the community
- encouraging the marking/engraving of property to discourage theft and assist in identifying recovered property'
