SHIRE OF GNOWANGERUP

COMMUNITY FINANCIAL ASSISTANCE GRANTS 2022/23

Community Groups within the Shire of Gnowangerup are now invited to apply for Community Financial Assistance Grants (CFAG) Program. There are three categories of funding available for projects taking place in 2022/23 financial year.

1. Quick Grants - for applications up to \$500.00, primarily for volunteer support.
2. Community Grants- for applications from \$501.00 - \$5,000.00 aimed at supporting community groups with small capital projects, events, projects etc.
3. Special Requests Community Grants - for applications from \$5000.00 - \$20,000.00 aimed at supporting community groups with large capital projects, events, projects etc. The purpose of the grant is not to fund operating costs.

Comprehensive guidelines, application forms and acquittal statements for each category can be found on our website under "Public Notices" or by contacting the Shire Office on 9827 1007.

Requests for operational funding, works-in-kind or reimbursement for expenses prior to the 2022/23 financial year will no longer be accepted under the guidelines. Furthermore, this is now the only pathway to request Council contribution for partnership funding for any project throughout the year. Please consider all events, projects or infrastructure your community group is planning for the 2022/23 year carefully, as applications will only be open once per year.

Please ensure you have read the guidelines and eligibility before you submit your application.

If your community group is interested in applying for assistance under any of the grant categories, please make contact with our Community Development Coordinator, Kirsty Buchanan on 9827 1007 or email kirsty.buchanan@gnowangerup.wa.gov.au to discuss your idea.

- Step 1 - Contact the Shire of Gnowangerup to discuss your project idea on 9827 1007
- Step 2 - Review and confirm eligibility as per the Guidelines.
- Step 3 - Complete the respective Grant Application Form.
- Step 4 - Submit the application form by 4:00pm 27/5/2022.
- Step 5 - Applications are assessed; Council approves suitable applicants at the Annual Budget meeting.
- Step 6 - Applicants are notified in writing in August 2022.

We look forward to supporting our fantastic community organisations in 2022/23.

First Aid for Mental Health.

Yongergnow-Ongerup CRC
8th APRIL 2022

First Aid isn't just for physical injuries.

Learn how to recognise the signs of mental health issues – in others and yourself – with the St John First Aid for Mental Health course. Practice reaching out to colleagues, family and friends, and learn how to provide support for them or yourself in a mental health crisis. You'll build knowledge and understanding about stress, depression, anxiety and suicide, and learn the importance of the crucial first steps in helping someone to seek professional ongoing help.

Book one-day course:

- Delivered by a qualified instructor with experience in dealing with mental health
- Teaches practical skills and includes example scenarios of putting first aid for mental health into practice.
- Teaches you how to start a conversation with someone with care and compassion.
- Teaches you how to take care of yourself.
- Highlights the importance of early intervention and the correct approach to take.

We also provide custom courses, developed through researching real workplace issues, so managers and employees can better promote a healthy work environment. These courses emphasise the role job-related stress can play in a person's mental health, and effective ways to manage it.

Book and pay online at www.stjohnwa.com.au/mentalhealth
or contact us on 9841 4212

Access \$10 000 to support your carbon farming future

Carbon Farming Voucher Program – now open

If you're a farmer interested in learning more about carbon farming, take advantage of this unique opportunity and apply for a voucher.

The program will support farmers in the South West Land Division:

Make the right investment decisions

around integrating carbon sequestration activities into their business.

Seek advice to develop a soil or vegetation Land Management Strategy

advisors may include agronomists, natural resource, carbon or other specialist areas.

Access vouchers valued up to \$10 000

with participants to contribute one tenth of the value (\$1000).

Apply now
