### March book club

The latest bookclub read was The Yield by Tara June Winch. A multiple award winner such as the esteemed Miles Franklin and Prime Ministers literary award, a book of Aboriginal language and culture of the NSW regions. Language and culture weaved into a story with three main characters, Albert Goondiwindi, Reverend Ferdinand Greenleaf and August Goondiwindi. The story is based on Albert creating a dictionary of his lost language, with interwoven accounts of past time from the Reverend and the finding of her lost culture on August's behalf set over the last century to present.

A story that was a bit difficult at the start with all the changing and setting up of characters but once established a very interesting and thought provoking read. Majority scored it a 7/10.

## SHIRE OF GNOWANGERUP

### COMMUNITY FINANCIAL ASSISTANCE GRANTS 2022/23

Community Groups within the Shire of Gnowangerup are now invited to apply for Community Financial Assistance Grants (CFAG) Program. There are three categories of funding available for projects taking place in 2022/23 financial year.

1. Quick Grants - for applications up to \$500.00, primarily for volunteer support.
2. Community Grants- for applications from \$501.00 - \$5,000.00 aimed at supporting community groups with small capital projects, events, projects etc.
3. Special Requests Community Grants - for applications from \$5000.00 - \$20,000.00 aimed at supporting community groups with large capital projects, events, projects etc. The purpose of the grant is not to fund operating costs.

Comprehensive guidelines, application forms and acquittal statements for each category can be found on our website under "Public Notices" or by contacting the Shire Office on 9827 1007.

Requests for operational funding, works-in-kind or reimbursement for expenses prior to the 2022/23 financial year will no longer be accepted under the guidelines. Furthermore, this is now the only pathway to request Council contribution for partnership funding for any project throughout the year. Please consider all events, projects or infrastructure your community group is planning for the 2022/23 year carefully, as applications will only be open once per year.

Please ensure you have read the guidelines and eligibility before you submit your application.

If your community group is interested in applying for assistance under any of the grant categories, please make contact with our Community Development Coordinator, Kirsty Buchanan on 9827 1007 or email [kirsty.buchanan@gnowangerup.wa.gov.au](mailto:kirsty.buchanan@gnowangerup.wa.gov.au) to discuss your idea.

- Step 1 - Contact the Shire of Gnowangerup to discuss your project idea on 9827 1007
- Step 2 - Review and confirm eligibility as per the Guidelines.
- Step 3 - Complete the respective Grant Application Form.
- Step 4 - Submit the application form by 4:00pm 27/5/2022.
- Step 5 - Applications are assessed; Council approves suitable applicants at the Annual Budget meeting.
- Step 6 - Applicants are notified in writing in August 2022.

We look forward to supporting our fantastic community organisations in 2022/23.

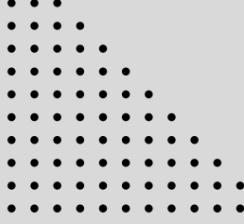

Ian Graham  
Acting Chief Executive Officer

## Ongerup Primary School - What are we up to now!

Greetings All!

With the new school year well underway students and staff are busily focusing on teaching and learning activities. Once again COVID has had a great impact on school operations with all staff and students in Years 3-6 now wearing masks. Visitors to the school are also required to wear masks please and hand sanitise upon arrival.

The year started with our dedicated teaching staff commencing a day early in order to get early planning in place for Term One. The P&C kicked off the year with the annual School Breakfast. So far we have been engaged in our usual Term One activities such as a week's In-term Swimming at Gnowangerup, Katanning Oral Language Program and On-entry Testing in the Joeys room, a Helpline session with the Boomers, and we have renewed the former School Garden Project, now known as the Horticulture and Landscaping session for all students. Here students have prepared the garden beds for planting, planted seedlings, potatoes and established our worm farm. Joeys have made aerial jellyfish as bird scarers to be hung in the garden area, while the Boomers have almost completed their sight and sound bird scaring ornaments, also to be hung in the school garden.

### School Council Nominations 2022

This year we have many positions open for nomination in our School Council. If you would like to be involved we are currently asking for nominations in the following roles: 1 Staff member, 4 Parent members and 2 Community positions are available. If you have an interest in School Governance and would like to be involved, we would love you to nominate. Nomination forms and further information is available from the school. Either drop in or contact the school and we can email you a copy.

Nominations are due back next Thursday 24th March to the school Administration.

### School Time Capsule Committee

This year we are due to open our School Time Capsule. For those of you who may have been engaged with the school in 2002, you will recall a School time capsule was put in place to be opened in August 2022. With this in mind we wish to conduct a community event involving all staff/students from 2002, along with our current school community. I believe families at the time placed significant objects/artifacts into the capsule that were to be opened and returned in August 2022. If you would like to be involved in the organising committee for this special school community event, please contact me at school on 9828 3200.

As usual if you have any concerns, ideas or just want to have a chat, please feel free to call me at school on 9828 3200.
