The club have the great sponsorship of Sound Life Financial Services and Tarbunkenup Farming (Jaekel Family) they will provide an evening meal. Play will be a drawn Triples event played in 3 rounds. If anyone wishes to make up their own teams that's fine (as long as it's not 3 guns – it's a fun day) if you'll be coming late and not for lunch please have your names in by 11.30am to either Captains Mick Creagh or Robyn Hams, so the draw can be done. Could all bowls members please provide a small plate of nibbles.

Robyn, Michelle, Jade & Vicki attended Ladies Country Week bowls last week, all of us played in the 4's, pairs & singles events. We had a few wins, had more losses but had a really good time representing the Ongerup Club plus meeting new people – it was Jade and my first time at Country Week and such a great experience. ## SHIRE OF GNOWANGERUP

### COMMUNITY FINANCIAL ASSISTANCE GRANTS 2022/23

Community Groups within the Shire of Gnowangerup are now invited to apply for Community Financial Assistance Grants (CFAG) Program. There are three categories of funding available for projects taking place in 2022/23 financial year.

1. Quick Grants - for applications up to \$500.00, primarily for volunteer support.
2. Community Grants- for applications from \$501.00 - \$5,000.00 aimed at supporting community groups with small capital projects, events, projects etc.
3. Special Requests Community Grants - for applications from \$5000.00 - \$20,000.00 aimed at supporting community groups with large capital projects, events, projects etc. The purpose of the grant is not to fund operating costs.

Comprehensive guidelines, application forms and acquittal statements for each category can be found on our website under "Public Notices" or by contacting the Shire Office on 9827 1007.

Requests for operational funding, works-in-kind or reimbursement for expenses prior to the 2022/23 financial year will no longer be accepted under the guidelines. Furthermore, this is now the only pathway to request Council contribution for partnership funding for any project throughout the year. Please consider all events, projects or infrastructure your community group is planning for the 2022/23 year carefully, as applications will only be open once per year.

Please ensure you have read the guidelines and eligibility before you submit your application.

If your community group is interested in applying for assistance under any of the grant categories, please make contact with our Community Development Coordinator, Kirsty Buchanan on 9827 1007 or email [kirsty.buchanan@gnowangerup.wa.gov.au](mailto:kirsty.buchanan@gnowangerup.wa.gov.au) to discuss your idea.

- Step 1 - Contact the Shire of Gnowangerup to discuss your project idea on 9827 1007
- Step 2 - Review and confirm eligibility as per the Guidelines.
- Step 3 - Complete the respective Grant Application Form.
- Step 4 - Submit the application form by 4:00pm 27/5/2022.
- Step 5 - Applications are assessed; Council approves suitable applicants at the Annual Budget meeting.
- Step 6 - Applicants are notified in writing in August 2022.

We look forward to supporting our fantastic community organisations in 2022/23.

Ian Graham  
Acting Chief Executive Officer

## ForWhen

Provided to you by Ngala

Mental health support for expecting and new parents.

1300 24 23 22

ForWhen connects parents that may be struggling to navigate the complex waters of pregnancy and new parenthood to the critical mental health services you might need most.

A judgement-free mental health care referral service

Pregnancy and parenthood is a time of big change for new parents. What's often not spoken about are the challenges that can come with it. Mental health struggles can come in the wake of a pregnancy, or when raising an infant and are far more common than many people realise.

You're not alone in how you may be feeling. Other parents are feeling it too. And while it can be difficult, it's important to realise that there's help available.

Get the guidance you need, when you need it

ForWhen provides new and expecting parents—mums, dads, and guardians—with a caring, supportive mental health navigation service, to guide you and your family throughout your perinatal journey, from conception, up until your child is 12 months old.

It's a national support line that connects you to the right service that can help you understand what you're feeling and provide the guidance and support you need at the right time.

It's estimated that 1 in every 5 new and expecting mums, and 1 in every 10 dads, experience perinatal depression and/or anxiety.

ForWhen is a national navigation service provided in partnership with Karitans, TessaLian, Tweddle, QEC, Mercy Health O'Connell Family Centres, Ngala, Child & Family Health Service, Ellen Barron Family Centre, Figtree Private Hospital, Tasmania Child & Family Health Service, Catholic Care NT, Parenting Research Centre, and UNSW.
