An old Australian battler lies dying in his bed. He calls over Shirley, his faithful wife of 60 years, and says, "Shirl, when we started out, tried to buy a business in the depression, went bust: you were with me"

"Oh, yes, Bruce", she says.

Then the war started, I joined up, and was sent to the front line, where I lost me legs. You stayed with me."

"Oh yes, Bruce" she says.

"Then, came home, couldn't get a job, due to me disability, and bought a farm."

"Oh, yes, Bruce", she says.

"The farm flooded, then just when we got over that, there was a bushfire, and then the drought, which wiped us right out: you still stayed with me."

"Oh yes, Bruce,"

"Now here I am, in excruciating pain, about to die, useless and you're still with me." "Yes Bruce."

"Shirl." "Yes, Bruce?"

"You're bloody bad luck"
