### P&C Project - Joey's Racetrack

On Sunday 21 August, six helpers came to Ongerup Primary School to form up and pour the concrete to create a new tricycle racetrack in the Joey's playground for our younger students. The weather proved annoying but they got there in the end. The new racetrack will give students a clear space to enjoy riding their tricycles in safety, with a few turns and hills to make it interesting. The P&C would like to thank the Carpenter family, with the expertise of Robin Grice for donating and batching the concrete. We would also like to thank our helpers – Tim Spink, Harley Pittard, Scott Davidson, Trevor Pettit, Mark Bruce AND Mel O'Connor for putting in the hard yards on the day and to Mel and Mark for coming in on Saturday to shovel dirt and start the formwork. There was a well-deserved sausage and beer for lunch, cooked by supermums Emma Claire and Kiara!
