ONGERUP BOWLING CLUB

Last Saturday the men tried to play their scheduled pennant match against Gnowangerup Red but once again the rain came down, and the game was called off. On Sunday 6 pairs played off for the Club Pairs Championship, with Maurice O'Neill & Jake Langdon the winners with Ernie Jaekel & Geordie Johnson runners-up. The men now have several byes so let's hope harvest will get into full swing. If it rains again our men's Captain may try to play one of the next games early. The Ladies next pennant game in on the 26th November, and of course Scroungers is on every Friday evening. We'd love to welcome more casual bowlers along for that social night.

What's happening at the Museum.

Thanks to the grant received from the Gnowangerup Shire we have the painter giving Cumuldarnup House a couple of coats of protection sealer. This building is of weather board and is a very precious building for the Ongerup Museum, as it was transported into the Museum from the Fred West property many years ago and has our Noongar foods and medicine plus a lot of taxidermied local birds on display.

The Story of the House;- An Englishman, Fred West purchased land in 1911 – Cumuldarnup - from Miss Sophie Jane Walker of England. Fred's brother Alfred came out from England and they farmed together. Fred died in 1959 and the farm was then managed by Ned Elphick for 6 ½ years, then Mark Bennett took over. Mr Bennett moved to Hopetoun in 1971. Mrs West then retired to Albany. This block is on the Peenebup Creek, described at the time as;- desirable York gum country & useful jam & yate land also some sandplain. It is said that they lived "Al-Fresco" and set to work to establish a farm and achieve Fred's over-riding ambition to grow wheat. When war broke out Fred decided to "answer the call" and left his farm in the care of his brother while he enlisted for military training at One Tree Hill. He soon was dispatched from Fremantle aboard S.S. Minotaur as an AIF member of the 3rd Field Artillery Brigade, he landed early at Gallipoli with the horses and survived all that and other battles up through France into Belgium. Whilst on leave in Blighty, he met and later married Violet, and they returned to Cumuldarnup, living in an old tent site. Later a proper lined timber room was constructed. His brother then moved on. Later that room was to be shifted over the creek on a horse-drawn log skid where the new homestead was established, and there, two sons Gerald & Michael grew up. In WW2 Gerald joined the Navy & Michael joined the RAAF. Later Michael married Nancy then later Nancy & his son came out on a war-bride ship to join him on the farm. Soon the existing house was not big enough. By 1947 the new building had risen from its jam tree post foundation to extend the existing homestead. Unfortunately the family had to move away after a couple of years. The old homestead slowly deteriorated. However, lucky that our previous museum committees saw the value in having it moved into Ongerup and now visitors to the Ongerup Museum may well recognise that jarrah building comprising two large rooms and today housing some nice exhibits. Yongergnow at Albany Show 2022

Yongergnow had the pleasure of holding a stall at the recent Albany Show. The bad weather didn't discourage visitors to come for a stroll. We were placed in the livestock pavilion and had coffee, tea, hot chocolate and Sarah's brownies ready to go.

At the same time we promoted our Centre and our town.

Thank you to the Albany Agricultural Society for inviting us, and a bigger thank you to staff and volunteers who made this possible: Georgia, Jane, Danielle, Colton, Elisa. We had a blast and hope to be there again next year.

Dear Ratepayer/Resident

Reduction of Councillors (Elected Members) - Voluntary Pathway for Local Government Reform

As part of an overhaul of the Local Government Act 1995 being undertaken by the Minister for Local Government, there is a requirement for all Councils to review both ward boundaries and the number of Elected Member to best represent their community.

At its meeting held Wednesday 26 October 2022, Council resolved, in part:

'1022.123 That Council:

- (1) Advises the Department of local Government Sport, and Cultural Industries (the Department) that it chooses the Voluntary Pathway for Local Government Reform, outlined by the Minister for Local Government in his letter to the Shire dated 20 September 2022, by advising that it will reduce the number of Councillors for the Shire of Gnowangerup from nine to seven over two elections:
 - with a reduction to eight for the 2023 election
 - with a reduction to seven for the 2025 election'

By electing the Voluntary Pathway, Council is now required to seek submissions from residents/ratepayers on the matter.

After careful consideration, Council has made the decision to reduce the number of Elected Members from nine to seven over two election cycles. This decision was made as a reduction in numbers was inevitable and it was felt that by being proactive, it will reduce, if not eliminate, the risk that the Shire of Gnowangerup be directed by the Minister for Local Government to declare all Elected Member positions vacant and reduce the number of Elected Members to five.

Council considers seven Elected Members will still allow for the community to be well represented. With no ward boundaries, Councillors can be elected from anywhere within the Shire.

You are encouraged to submit a response via email to gnpshire@gnowangerup.wa.gov.au or mail to 28 Yougenup Road, Gnowangerup, WA, 6335 providing feedback on Council's Resolution. This consultation period will close on Thursday 5 January 2023 at 4.00pm and a report presented to Council on Wednesday 1 February 2023 based on submissions received with the outcome then being provided to the Department of Local Government, Sport and Cultural Industries.

If you seek further information, you are encouraged to contact one of your Elected Members or you can call Mr David Nicholson, CEO at the Shire Administration Office on 9827 1007.

Kind Regards

Cherie Delmage
Acting Chief Executive Officer

BUILDING MAINTENANCE OFFICER

Situated in the heart of Western Australia's Great Southern region, the Shire of Gnowangerup is an inclusive, progressive & prosperous community. The Shire includes the stunning Stirling Ranges, three towns, attractive rural landscape, & boasts a relaxed country lifestyle with excellent amenities. The Shire is seeking a motivated & qualified tradesperson for the position of Building Maintenance Officer.

As the Building Maintenance Officer, you will undertake building & other asset maintenance throughout the Shire. You will also contribute to the maintenance of parks & gardens equipment & other infrastructure assets as required. The ideal applicant will have a trade qualification in a building trade or demonstrated experience & skills in building & other built asset maintenance.

The hours for this position are negotiable dependant on the applicant and the needs of the organisation. Options include:

- Part-time basis under the LGIA2020 Award;
- Full-time under the LGIA2020 Award doing a 76 hour/9 day fortnight; or
- Full-time under the Shire of Gnowangerup (Operational Works Crew) Enterprise Agreement 2020 (EA) doing an 84 hour/9 day fortnight. The EA also provides an additional two-day annual leave on the standard four weeks leave.

A total maximum remuneration package up to the value of \$91,000 applies including matching superannuation up to 5%, commuter use of a Shire vehicle, Industry Allowance & a Tool Allowance if own tools are used.

Applications should include a covering letter, CV, two referees & a brief statement detailing relevant skills & experience. All applications are to be marked 'Private & Confidential' & should be addressed to the Chief Executive Officer.

For more information, please contact Geoff Carberry Assets & Waste Management Coordinator by calling 0499 899 423.

Applications can be submitted via email at gnpshire@gnowangerup.wa.gov.au, posted or delivered to the Shire of Gnowangerup, 28 Yougenup Road, Gnowangerup WA 6335 by 4.00pm Wednesday 7 December 2022. (Canvassing of Councillors will disqualify).

Great Southern 2050 Cycling Strategy

Help shape the future
of bike riding in
the Great Southern!

The Department of Transport and the 11 local governments of the Great Southern region seek your ideas on the Great Southern 2050 Cycling Strategy.

The Strategy sets out a vision for bike riding across the region, with a proposed cycling network and infrastructure in key townsites providing interregional connections.

When complete, the Strategy will be used to guide funding decisions and prioritise key bike riding projects.

To help us develop the strategy, we want to know:

- what your local bike riding needs are;
- what issues need to be addressed; and
- what opportunities you see to make riding safer, more enjoyable and convenient.
