ONGERUP GRAPEVINE

COMMUNITY NOTICES

TOWN CLEAN/BUSY BEE:

Thank you to the amazing mob of bods and machines who picked roadside rubbish, moved mulch, stacked & burnt piles, fixed broken bits, moved museum machinery and supplied lunch and cuppas!

Thank you all from Yongergnow, Ongerup P&C, Ongerup Community Development, Ongerup Bushfire Brigade & Ongerup Museum. We are looking good at the moment but there is always ongoing rubbish gathering. If anyone wants to walk road verges or select a spot to pick regularly please help yourself! Yongergnow has outback packs including bags and tongs please come in and let us know where you are collecting and pick up a pack.

Town Busy Bee & Cleanup

Last Sunday, Ongerup Town held its town cleanup/busy bee event, bringing together 20 dedicated volunteers of all ages came together for another amazing effort, improving for our beloved townsite. This event was the result of a collaborative effort by all local groups, committees, & individuals, working together to prepare our town for the upcoming wildflower tourist season, fire season, & before we all get too busy.

10am may have been an early start for a few with sore heads but that didn't stop everything on the list getting done!

Kendall, Sally & Marnie, with their children in tow, tackled roadside litter; they even spotted a fox in town. Graeme, Mick, The Guy, & Reddog transported 15 cubic meters of mulch donated by the Shire to the small aviary, making sure Juliet & Valentine are well taken care of. Kelly, Roz, & Dani took on the much-needed winter cleanout of Yongergnow's storerooms. Bongy, Jen, Ricko, Mick, & Kingsley did a great job of chopping and clearing of fallen trees.

Meanwhile, Bongy, Mat, Kingsley, and Nick, under the expert guidance of Jye and Harry, unloaded a new aviary for Yongergnow's malleefowl.

Greg, Sarah, Emily and Russel were at Sandys command rearranging machinery at the front of the museum, getting bogged just once! The Barnes family Andrew focused on weed spraying, while Bill handled the long list of repairs & Dimity kept everyone refreshed with coffee & treated us to a delicious lunch.

So many jobs were ticked off: fire mitigation, woodchopping for Ongerup P&C and Yongergnow to auction, installation of reticulation, planting some plants, the lawn bowls matting on the sunset deck area reinstalled, light globes changed, signage cleared & even the drafting of grand plans for Ongerup's future wave pool!

Thank you to event coordinators Harry & Dimity Creagh for their planning & organization. Well done to all involved for your hard work and dedication!

Primary School tree planting day at community block

It was a great day at the Lakes Block planting 290 trees and shrubs that had been seeded into pots by the kids in July 2023. Local saltland species were planted by many busy little hands, into a fenced off corner of the block for reclamation and habitat. Many thanks to Kingsley and Sandy for ripping the tree lines earlier making that sticky gray clay into manageable planting rows. Thank you to the staff and students for the enthusiastic growing and planting of trees and especially to Ms O'Connor for bringing the trees up to kindy stage and Sandy for getting them through to high school age. Thank you to Caroline & Stevi from North Stirlings Pallinup Landcare for the support and funding for the project and Kingsley and Marnie for sausage sizzle lunch in the paddock. Brianna Jones from Gairdner captured plenty of photos on her camera and drone to showcase the day. Thankfully the thunder-storm rain washed the seedlings in nicely a day later.

Toddler Time

“NSPNRs project is funded by the WA State Governments Natural Resource Management program”

We brought our favourite teddies to the hall and hired the kids eco party pack from the crc for a teddy bear's picnic. It was fun to play picnics with our teddies and even design our own fluffy teddy with wool! There was lots of teddy bear Dances games and even a bear hunt story. The best part was decorating teddy bear biscuits to eat at our picnic, absolutely delicious!

Make the Best In-Season Nutrient Decisions

Using nutrient Fuel Gauges and inSITE Plant Analysis, your local Area Manager can help you make the best in-season nutrient decisions.

New Medical Service for Gnowangerup and surrounds

Livingston Medical have hit the ground running this week in Gnowangerup with Dr Livingston offering face to face appointments for the next 5 weeks until the new resident Doctor commences.

In the absence of a medical service, Dr Menon and Dr Livingston have also been offering a telehealth service prior to Livingston Medical Gnowangerup commencing on 22nd July in order to help with ongoing clinical care.

Livingston Medical is a mixed billing practice

Dr Brian West
Dr Shady Makar
Dr Michael Livingston

08 9827 1116

32 McDonald Street
Gnowangerup

Open 8.30-5pm
Monday - Friday

The community have been incredibly welcoming and we would love to thank everybody involved in the process. The Shire, the Council, the community but most of all Kate Humphries who has been instrumental in reassuring the community and patients that a new Doctor is coming, worked tirelessly to get all the old equipment and mountains of clutter cleared and cleaned and ready for the new tenants and made us feel so welcome with all of her heartfelt lovely energy.

We are so privileged that Kate has chosen to stay on at the practice and remain in the community doing what she is truly passionate about. Nursing her patients with love and care.

The practice phone number is staying the same but we will now have online bookings.

Please visit livingstonmedical.com.au in order to book online.

The Practice will open 5 days per week and we will have a regular Doctor living in town plus multiple other Doctors offering visiting support and assistance.

Dr Brian West will be the local Gnowangerup Doctor commencing on the 26th August.

Dr West graduated from Sheffield University, UK in 1993.

Brian initially trained in surgery with a special interest in ENT and went on to become a GP in 2001. Dr West and his family relocated to Australia in 2008, initially working in Perth before relocating to Melbourne. Dr West has advanced skills in skin cancer medicine and has a long history of working in skin cancer clinics. Dr West will also be providing services at the local Gnowangerup hospital and in conjunction with Dr Makar and Dr Livingston will be running Aboriginal Health clinics in multiple towns.

Many of you may have already met Dr Livingston, he is very passionate when it comes to rural healthcare and he offers a number of services and will travel down to the Gnowangerup area on a regular basis to provide various procedures and services.

Many will get to meet Dr Makar over the next few weeks too. Dr Makar is originally from Egypt and has been practicing rural medicine across Queensland and Western Australia for the past 10 years.

Dr Makar will be a regular face in Gnowangerup and the surrounding towns.

Watch this space for the announcement of many new services and visiting health professionals. We will endeavour to work together with the community to deliver exceptional health care and will always take feedback and offer solutions where possible.

The practice is a mixed billing practice and children under 16, pension card holders aged over 70 and Aboriginal Torres Strait Islanders all having access to bulk billed services.

We welcome all past and present patients in the town and surrounding communities and of course welcome new patients too.

Any questions about the new medical service can be directed to

gnowangerup@livingstonmedical.com.au
