Ongerup Museum Wildflower Show 2024

This annual wildflower is now over for 2024. We had a good amount of visitors over the 10 days & a great amount of volunteers hours to put nearly 300 flowers on display. Terrific picking & identifying by Mel and helpers. Thanks to school children for their beautiful artwork that was displayed above the flower shelves. Great for visitors to look at our amazing little museum with all the various attractions within !

Wild Gravel 5th October 2024, Information Update

We are now less than 2 weeks away from our inaugural Wild Gravel Event. Registrations have been coming in steadily with over 230 people signing up for the event so far. Are you interested in participating? Walking, running and riding options (including E bikes) are available! Visit www.wildgravel.com.au to register.

Registration Evening:

On Friday 4th between 2pm-5pm, the Shire car park will become the registration point for participants to collect their registration pack. Local food outlets including Little Groves Café, the Gnowangerup Hotel, the Roadhouse and Gnowangerup IGA will be open and offering dinner options for those passing through town.

Event Location:

The event village, adjacent to the start/finish area, is about 1.2km along Stirling Range Drive from the Chester Pass Road intersection. Stirling Range Drive will be closed to traffic for the entire event. Red Gum Pass Road will be closed on Saturday morning only.

Event Village:

The event village can only be accessed on foot or by bike and will be open on event day from 7am until 4pm. An event parking area will be setup at the entrance to Stirling Range Drive (east), and drivers will be under the direction of Parking Managers for those participating. Please note that Stirling Range Drive is closed in its entirety for the event, hence there can be no spectating on course outside of the designated spectating area. Note that parking may be limited (and congested) at certain times of the day, and where possible, we ask participants to carpool to reduce the number of vehicles
