COMMUNITY NOTICES

September 5th 2024

ONGERUP MUSEUM AND WILDFLOWER SHOW: A Huge Thank-you to all that came to the Ongerup Museum last Tuesday. First thanks go to Lindsay Breedon for supplying us with the clear roof sheeting for the toilet roof, then Gordon Ireland & Ernie Jaekel for the task of replacing the old one – there's now enough light to find the toilet paper when in need – a very important factor!! Next thanks to my slaves - Kingsley, Tim, Jenny & Sandy who fixed & moved objects around in various areas of the Museum. We even have a front gate that now swings without having to lift it off the ground. Can't thank you enough for all these things that have been bugging me for ages. Now we need to ask that others turn up to get organised to have the Wildflower display up and running for the opening on the 14th September. We need more wildflower pickers, but you'll need a pickers licence, which is hard to get, so contact Sandy Vaux and I'm sure we can work something out, as we can't have a wildflower display without flowers!

So REMEMBER our next busy bee next Tuesday 10th. Vicki O'Neill 0428 282282

AUSCHEM COURSE: Expressions of interest are invited for an upcoming AusChem course to be held at Yongergnow. Please contact Priscilla ASAP Email: manager@ongerupcrc.net.au or phone 98 282325

A letter from Yongergnow's resident malleefowl

Valentine & Juliet:

Dearest Ongerupians,

A big shout-out to all the wonderful locals who have stopped by to say hello! We're truly feeling at home here, with fresh mulch ready to go, new plants sprouting as part of our aviary renovation, and, of course, enjoying our locally-bred live mealworms!

As we mentioned previously, we do have another mate - formerly known as Lonely Boy - & he is eager to meet you all. We're excited to announce that the board has named him Monty! This name has special significance, coinciding with the arrival of baby Monty Vaux, whose family has long been passionate about Malleefowl conservation and our community.

The name Monty also holds historical importance. Did you know that the Malleefowl Preservation Group (Ongerup's previous Malleefowl organisation) received a \$5,000 donation from Monty House of Gnowangerup in the early 2000s? This generous contribution helped establish the facility that eventually became our home; Yongergnow!

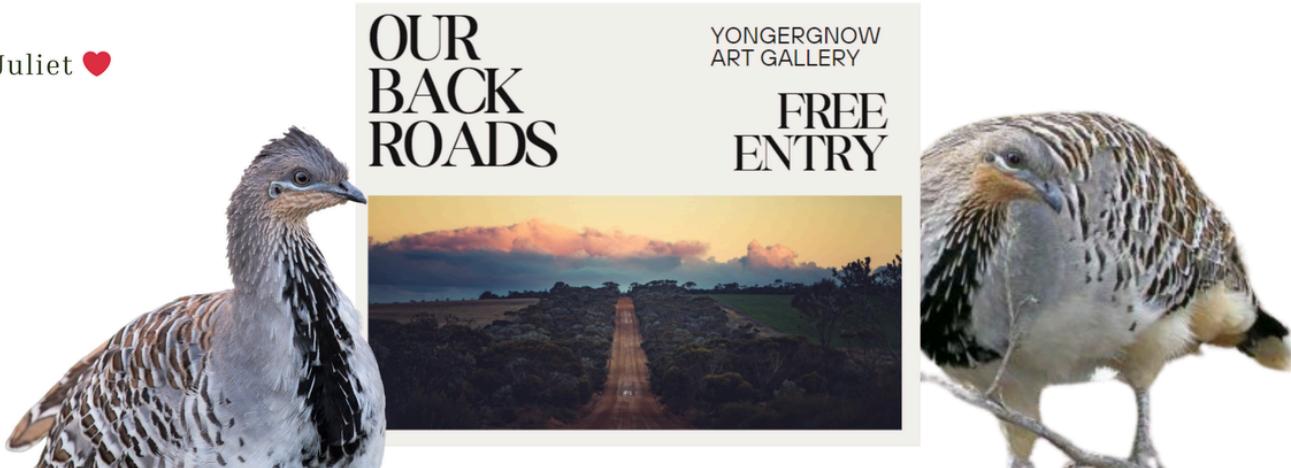

Over the years Yongergnow has been financially supported by generous donations from many organisations & families which has supported our succession to today. We invite you to join our 2024/25 membership drive to continue this support & help Yongergnow to continue their efforts to educate, raise awareness & continue in the conservation of our species.

The board is currently working hard on grant applications & getting ready for the upcoming Wildflower season. Did you know that September & October are our peak season where we can expect 150-400 people per month to visit us the fabulous malleefowl, Wildflower show & town! A bonus of being a member of Yongergnow you get a free admission to the Ongerup Museum's Wildflower Show this year!

We'd also love for you to join us next Friday, September 6th, from 6-8 pm at Yongergnow's Gallery for the opening of our art exhibition, 'Our Back Roads' at the Yongergnow Gallery. They have made this free event will also help support the Ongerup P&Cs wine night. We will be celebrating all things local! Local art, local wine, local entertainment, pizzas with local produce & a live auction with local items up for grabs. We would like to thank all of the event sponsors & invite you all to join, especially in the live auction to help raise funds for us, your beloved feathered friends & the Ongerup P&C! Keep an eye on Yongergnow's socials & Ongerup Happenings for all the event details. See you all next Friday!

Love always,

Valentine & Juliet ❤
