WasteSorted
A Waste Authority Program

Be a GREAT Sort.
Make landfill the last resort.
Find local solutions at wastesorted.wa.gov.au

This project is supported by the Government of Western Australia and administered by the Waste Authority.

The Shire of Gnowangerup supplies fortnightly kerbside recycling service for the 3 towns of Borden, Ongerup and Gnowangerup.

These yellow top bins are for recyclable material only, but a number of residents have been using them as rubbish bins or placing a lot of non-recyclable material in them. This is contaminating the recycling material and leading for a lot of extra material being dumped at our limit landfill sites.

To reduce this contamination the shire will start placing information on your recycling bin if it is non-compliant as from the 7 November 2024 and will stop picking up the bins until they comply from the 2 January 2025. If you have any questions or require a site visit by staff to explain the requirements, please contact the Shire Office on 98271007.

Lets work together to reduce our waste and make this a more sustainable community.
