THANKYOU

Gnowangerup St John Ambulance would like to thank everyone who helped us during last Sunday's accident on the highway.

We would like to acknowledge and thank the people who were not part of the emergency services but stopped to assist and manage the scene before help arrived and stayed to help during the rescue effort. As always the turnout and professionalism from all emergency services volunteers and staff was amazing to watch. Police, Fire, Ambulance and SES all combined smoothly to quickly manage the situation.

Thank you to all.

Bowls Notes Both Men's and Ladies Bowls is well under way. The Ladies have won their first 2 games of pennants, so hope that we can keep that up. This week we challenge the Gnowangerup Ladies, then on Sunday there's the all day event of the Ladies League Pairs here in Ongerup, so it's best of luck to all and we hope Ongerup can bring home the winners Badges to Ongerup once again. Then during the next week some of our Ladies are playing in the 2 day Gnowangerup Classic. The Men have had 2 wins and 2 loses in their pennants, 2 weeks ago the men celebrated the best win ever against Borden and there was a real good night at the club house that night!! the men also played a game forward against Broomehill (which they won!) this was due to be played later during harvest. This Saturday Men are due to play Gnowangerup White, and after that is 2 weeks of Byes, so that should ease the team selection during the busy time.

FREE TO A GOOD HOME I have an Epson 725 Multifunction Printer and Cartridges I no longer have a use for. As far as I am aware the photocopying function works but the printer function does not. There are six ink cartridges, 1 x black and 5 x colour, in the machine. In addition there are three new unopened cartridges (81N – black, yellow and light magenta) with use by date – black (2024.10, light magenta and yellow (2025.06). Free to a good home. October Book Club

Alicia Berenson is married to a successful fashion photographer. Everything seems perfect until one evening, when Alicia shoots him five times in the face, and then never speaks another word. Theo Faber is a criminal psychotherapist who has waited a long time for the opportunity to work with Alicia. His determination to get her to talk and unravel the mystery of why she shot her husband takes him down a twisting path into his own motivations—a search for the truth that threatens to consume him.

****The Silent Patient by Alex Michaelides**** – perhaps a quizzical choice for a group that is neither silent nor patient, as evidenced by the lively chatter around the table at Peta's first-ever book club meeting!

While the book is touted as a thriller, most members found it leaned more towards a mystery. We all agreed it was certainly a page-turner, as we pushed through the slow-moving first half to reach the good bits. The exploration of mental health sparked interesting conversations about the untapped potential and power of the brain.

As for the twist at the end, it caught most of us off guard—though perhaps not enough to outweigh the strange characters and unsettling tone, leading to an average score of 5.5. Amidst discussions of the book, a sleeping dog, personality-matched teacups, and Jill's far more compelling recounting of Bill's finger injury made for a highly entertaining and enjoyable evening at Peta's maiden meeting.
