

# ONGERUP GRAPEVINE

"They shall not grow old, as we that are left grow old: age shall not weary them, nor the years condemn. At the going down of the sun and in the morning, we will remember them."

-Laurence Binyon, "Ode of Remembrance"

## COMMUNITY NOTICES

**BOWLS NOTES:** Both the Men & Ladies had some good wins last weekend, and both are top of the League Ladder, all very happy as the club hasn't been in this position for many years. Although the Men have filled an extra game in so far, & only have 2 games before Christmas, so let's hope they don't lose their striking powers! The Ladies don't have a game this coming week, so let's hope they are all on board for the week after against Tambellup. If so we'll keep our top spot. Remember we will try to keep the scroungers going during harvest for anyone that can come along, -- check on the bowls WhatsApp to see if anyone else is going.

**MUSEUM NOTES:** A few of our members could make it along to the meeting we had last week to windup this year's wildflower display. Once again the display didn't make a fortune but it's very satisfying to know that the Wildflower Display brings many visitors into our town. And a huge thank you to all our volunteers to make this display possible, without you we can't do it. It only took one day to realize that even the Museum has to move with the times -- as a lot of travellers don't carry cash anymore! we quickly borrowed the Square reader (EFTPOS Machine) from the Sports Complex, A huge thank-you to Elisa to provide the time to get us connected up. Many things were discussed at the meeting;- Next year is the Ongerup Primary Schools 75th birthday and the Museum will plan to be open for the day. The Museum would like to know if there is someone out there that would be interested in learning to do Taxidermy (our very old birds on display need upgrading). Next item was the upgrading of some of the entrances to our display rooms -- to make them wheelchair accessible -- the Barracks building needs a risen walkway plus a ramp, this will need to be a wooden construction. Plus the entrance to Cumuldarnup House (the brown wooden house) has already a concrete ramp but it is too steep so it needs either redoing or adding to & changing the slope -- I would love some other input into this, as it could possibly be done by some willing (or unwilling!) helpers. We may bring this one up after harvest. Contact Vicki O'Neill for more info it needed.

After some games and food our scary clubbers hit the streets of Ongerup to track down some Halloween treats. Thank you to all the lovely Towns people who entered into the spirit of Halloween and made it such an enjoyable afternoon for all our children.

**Toddler Time** today was centred around Remembrance day our children drew some poppies and talked about the meaning of this special day.
