ONGERUP BOWLS Last Sunday Maurice O'Neill won the League singles event over at Tambellup, this was a great effort so congratulations to you Mog. Plus Mick, Darren & George Hams played in the League Triples event, but were just beaten by 1 point in the knockout round, but great effort to you as well. This was after a great win on Saturday against Broomehill in the final game of pennants rounds, the Men are now in 3rd spot on the Ladder and play off in the Pennant finals this Saturday morning the 22nd -- first off at 8.30am at Jerramungup, all support will be welcome as this is the first time for many years that Ongerup men have been in the final playoff. GO ONGERUP.

Ongerup Community Development (OCD)
are excited to announce that Ongerup has
joined the Town Team Movement.

As part of this we are launching a working group to help beautify our beloved town! We're already brainstorming some great ideas including:

- hosting the opening of the 2025 Bloom Festival
- Replanting and creating lush green spaces with shaded seating
- Commissioning vibrant murals
- A new OCD logo and town website!

But that's just the beginning! We'd love to hear your ideas either by joining the working group, attending the workshop brainstorming sessions or by adding your ideas to the town team URL.

Get in touch with Marnie to discuss further 0487 771 921

The OCD are also launching a Town Entrance Signs Project! If you would like your business or community group to be included in the Signs Project please get in touch with Emily on 0457 970 326

Ongerup Museum

As curator of the Ongerup Museum I'm interested in advancing our recorded Collection Data onto a program that the Australian

Museums and galleries Association recommends. Called Collection WA

But I would never complete this by myself, so I'm putting it out there to see if there's any interested folks that could help, (I know I have one other). Could we meet at the Museum on Wednesday 9th April at 9.30am so I could outline what it involves. Or to put it simply;- an interest in local history and basic computer skills. Is mainly what's needed. Most work could be done at home once you sort out what items you wish to pursue.

If I get enough interest, David Theodore, curator of the Princess Royal Fortress Museum, Albany is more than keen to come up to Ongerup to get us on the right path. Come on Ongerup, this program can – if we allow it – advertise our Museum to a wider field – we have a great Local district Museum here in Ongerup, but it needs a couple more people to keep it going.

Congratulations to the team at the Ongerup Primary School for the fantastic 75th birthday celebration last weekend. A large crowd enjoyed the festivities and amazing displays of school history.
