Welcome to our newest trainee  
Brooke Vlasschaert

Brooke has taken on a traineeship in Business and Admin Cert III at Yongergnow-CRC. She lives with her 3 kids and husband on Boxwood-Ongerup Road and is not keen on all the road creatures but has a large barnyard of animals with chooks outnumbering other animals. Brooke grew up in Ongerup and thinks it is pretty cool to have her kids growing up here as well! I'm sure we will all get used to saying and spelling her surname correctly.

### Announcing the Wild Gravel Trail: A New Adventure for Gravel Riders

Gnowangerup, WA – 14/04/2025 – The Shire of Gnowangerup is excited to announce the launch of the Wild Gravel Trail, a new opportunity for gravel riding enthusiasts to explore the stunning landscapes of the region in their own time, and at their own pace.

The Wild Gravel Trail offers participants a chance to experience the beauty and challenge of long distance, multi-day gravel riding through a 440km loop that is over 90% gravel. The trail begins in Gnowangerup and takes riders through Ongerup, past Bluff Knoll, along Stirling Range Drive, south to Mount Barker, and then on northward via Kendenup, Cranbrook, Tambellup, Broomehill and Katanning, before returning to Gnowangerup.

The Wild Gravel Trail is inspired by Wild Gravel, a mass participation gravel cycling and running event held in the Stirling Ranges. Established in 2024, the event was a resounding success and will be returning for its second edition on October 11, 2025. The new trail allows riders to enjoy the area year-round, providing a unique and adventurous experience for all levels of cyclists.

To celebrate the launch of the Wild Gravel Trail, renowned ultra cyclist, and 2022 winner of the Indian Pacific Wheel Race, Colin Ottaway, will be attempting a Fastest Known Time (FKT) record on the trail, starting on April 22. This exciting event is sure to draw attention from the cycling community and beyond. For more details of the trail including maps, visit <https://wildgravel.com.au/wildgraveltrail>

### FROM THE MANAGER'S DESK

School Holidays, Easter, ANZAC, Seeding, 3 day weeks! It is easy to gain a sense that time is moving quickly, but one of the beautiful things about living where we do is that we can easily find a wide open space, stand still, and just breathe for a moment. Let the sun shine on your face, listen to the birds, feel the breeze on your face, and then a roaring truck or tractor will zoom past and ruin the moment. I know. The question today is, are you going to take the moment of sunshine in your life and make the most of it? Or are you going to allow the zooming noises ruin the moments? We have been working hard at Yongergnow behind the scenes planning some exciting things. We have received lots of feedback from our planning and are still collecting input from the community. The document developed for our brainstorming will be coming out in the next few weeks for further input. Have a chat with a team member if you have not yet had input into the Ongerup Planning Session. We are looking forward to seeing some of these plans and ideas put into actions. We have already had the first Garden Club meeting and they are meeting again on the 5th May. We are very excited to be launching our day time Book Club with a High Tea Tomorrow at Yongergnow, we have not yet decided on the format of this, and will have a chat with those who attend and see what is going to work, but I get the feeling this is not going to be a traditional Book club. Also see our Parents Page for the flyer for the next WANSLEA workshop on 23rd of May
