## Community Notices

**TOWN DO-OVER UPDATE:** The hall garden area is progressing well, the lawn area has now been finished after two amazing efforts. Many thanks to the early morning helpers who did it in double quick time last Friday. The next stage of that area is the mural painting on the front hall wall and some pretty plants to go into the garden area. The museum will be updating their signage leading up to the wildflower show on 15<sup>th</sup> September and the Bloom Festival launch on Saturday 27<sup>th</sup> September.

A display of old cars will be happening on the street alongside the Blue machinery shed on the long weekend. Please contact Emily if you would like to know more of what is going on and/or feel you could help out in the next few months. Emily 0457 970326

**TOWN HALL GYM:** The town hall gym will reopen Monday 21<sup>st</sup> July. Our amazing new exercise bike is up and running ready for your workout. Contact the CRC for gym memberships and/or more information.

## SPOT THE DIFFERENCE

Can you spot the 8 differences between these two pictures?

**Safe4Kids**  
We all have the right to feel safe all of the time

Would you know what you'd do in a situation where your child's friend disclosed information about abuse? Have you ever considered what to say in the case of another child showing yours pornography?

Often parents don't want to think about dealing with a situation like this. It's scary and they hope it won't ever happen to their child.

## What would you do?

Are you confused about how to teach your children to be wary of potential harm, without overloading them with fear, wrapping them in cotton wool, or giving them so much information that their innocence is damaged? Would you know what tried and true steps to take in the event a situation occurred?
