### YONGERGNOW

Last Friday we had wonderful group of eager volunteers and new staff come to Yongernow to learn the ins and outs of the centre to be able to help out on the days we don't have enough staff. From caring for our birds to making the perfect cup of coffee everyone went away full of knowledge and enthusiasm. Thankyou to everyone who came we look forward to welcoming you to our Centre.

Our walk trails are starting to bloom. A beautiful clutch of Jug orchids have appeared and the rocky outcrop has an amazing cover of lichen making a stunning display.

## Aladdin

On Wednesday the 23rd of July, Aladdin and His Magic Smart Watch performed at Ongerup town hall. It was a great turn out with locals and four surrounding schools coming to the performance. The kids were in fits of laughter, and it was a spectacular performance! The schools enjoyed a tour of Yongernow after the performance and a trip through the Ongerup Museum.

Would you know what you'd do in a situation where your child's friend disclosed information about abuse? Have you ever considered what to say in the case of another child showing yours pornography?

Often parents don't want to think about dealing with a situation like this. It's scary and they hope it won't ever happen to their child.

## What would you do?

Are you confused about how to teach your children to be wary of potential harm, without overloading them with fear, wrapping them in cotton wool, or giving them so much information that their innocence is damaged? Would you know what tried and true steps to take in the event a situation occurred?

Come along to this Protective Education Workshop

Protective Education is a proactive whole community approach to teaching life skills to children. It gives them the language to identify unsafe situations, arm them with tools to seek appropriate assistance or protect themselves.
