

# ONGERUP GRAPEVINE

July 3rd  
2025

## Community Notices

**FAREWELL WAKE FOR OLD MATE PIZZA:** Come along with a plate or salad and your memories to share to the sporting complex from 1 pm Saturday 5<sup>th</sup> July.

### Tales of the Ongerup Do-Over

No rest for the wicked around here, still rolling full steam ahead with another massive week for the Do-ers!

Last Friday our sucker for a busy-bee Matt, along with John and Longy formed up the stage and open pergola. Meanwhile Thea took on for the title of best pozytrack driver against husband Adam, and of course we are awarding a draw for both giving great efforts!

Sunday found Ernie and Donald prepping the bowling club gardens with mulch with some trusty and absolutely licensed farm machinery, lucky the pub opens early on Sunday as they were quick to finish for a drink!

Wednesday Rob and Ricky happily came in to unload the concrete truck kindly brought out by Cast-tech Group, the boys did an amazing job of screening and brushing and these areas will be enjoyed for many decades to come!

The busy-ness around this project has spread all the way to Perth! The fresh new turf has been cut and it is kindly being delivered by Campbell Transport tonight! Massive thanks to them for donating the freight! 7am Friday we will be laying the lawn so come along to give a hand 😊

### Some facts about the Yengernew-Ongerup Community Resource Centre:

1. Part of a statewide network.
2. Not-for-profit and locally operated. CRC's are independently operated by their local communities as not-for-profit organisations.

# Gnowangerup Police update

## Electric Rideable Device (ERD)

Electric Rideable Devices (ERD) are motor vehicles as per the definition contained within the *Road Traffic (Administration) Act 2008*. As such, ERDs are subject to the same road traffic laws as any other motor vehicle including the ability for officers to conduct RBTs and prefer drink/drug driving charges.

An ERD does not require a vehicle licence (registration) as an exemption is contained within r. 15(2)(e) of the *Road Traffic (Vehicles) Regulations 2014*. An ERD rider does not require a driver's licence as r.55(2)(h) of the *Road Traffic (Authorisation to Drive) Regulations 2014* provides an exemption.

### What is an ERD?

Regulation 3A of the *Road Traffic Code 2000* (RTC) defines an ERD as a scooter, skateboard, or other vehicle that:

- Has at least 1 wheel; and
- Is designed to be used by a single person; and
- Has an electric motor or motors; and
- Is fitted with an effective stopping system controlled by use of brakes, gears or motor control; and
- When propelled only by the motor or motors, is not capable of going faster than 25 km/h on level ground; and
- Has dimensions no bigger than 1250 mm in length, 700 mm in width, 1350 mm in height and weighs no more than 25 kg (except for Commercial Operators)
- Commercial Operators may use ERD's with dimensions no bigger than 1300mm in length, 700mm in width, 1350mm in height and weighs no more than 35kg (Government Gazette 17/2022)

Please refer to the manufacturer's product specifications and measurements online for more information.

**If a device exceeds any of the above restrictions, it is an unlicensed motor vehicle, not an ERD and the rider/device are not covered by driver/vehicle licence exemptions.**

### What isn't an ERD?

An ERD does not include motorised scooters, motorised wheelchairs, electric personal transporters, a vehicle with pedals or wheeled toys. Regulation for these devices is contained within the RTC.

## Main Restrictions and Offences

### Can an ERD be ridden on a road?

ERD's can be ridden on a carriageway, except for carriageways with a dividing line or median strip, a one-way carriageway with more than 1 marked lane or a carriageway with a speed limit exceeding 50km/h.

### Can anyone ride an ERD?

The minimum age to ride an ERD is 16 years of age, with the motor/s engaged.

### Do ERD's have speed restrictions?

ERD's are limited to 10km/h on a footpath (other than a bicycle path or shared path) and a maximum speed of 25km/h on a carriageway, bicycle path or shared path.

### Do ERD riders have to wear helmets?

**Yes**, riders of an ERD must wear an approved bicycle or motorcycle helmet.

### Can ERD's carry a passenger or animal?

**No**, ERD's are limited to carrying one person only.

### Can an ERD be ridden at night?

**Yes**, an ERD can be ridden at night if it displays an approved front (white) and rear (red) light as well as a rear red reflector and two yellow side reflectors.

### Can an ERD rider use a mobile phone whilst riding?

**No**, Regulation 265(2) of the RTC provides an infringement penalty of \$500 (infringement code 3840) for the rider of an ERD or bicycle who uses a mobile phone whilst riding, or \$1000 (infringement code 3847) for aggravated use of a mobile phone whilst riding (texting etc.).

### Can I be breath tested on an ERD?

**Yes**, an ERD rider is subject to the same preliminary and evidentiary breath/drug testing requirements as the driver of a motor vehicle. Drink and/or drug driving charges can be preferred the same as a driver of any other motor vehicle.

### Can my ERD be impounded for non-compliant?

In many circumstances, **yes**.

Once an ERD exceeds any of the requirements specified, it is an unlicensed motor vehicle and not an ERD.

Most non-compliant devices meet the definition of a *motorcycle* as per s.4BAAA *Road Traffic Act 1974* (see below) and therefore are subject to the impounding and confiscation provisions for unlicensed motorcycles.

### Can my ERD be impounded for non-compliant?

In many circumstances, **yes**.

Once an ERD exceeds any of the requirements specified, it is an unlicensed motor vehicle and not an ERD.

Most non-compliant devices meet the definition of a *motorcycle* as per s.4BAAA *Road Traffic Act 1974* (see below) and therefore are subject to the impounding and confiscation provisions for unlicensed motorcycles.

### Section 4BAAA RTA

**motorcycle** means a motor vehicle that has 2 wheels and includes —

- a 2-wheeled motor vehicle with a sidecar attached to it that is supported by a third wheel; and
- a motor vehicle with 3 wheels that is ridden in the same way as a motor vehicle with 2 wheels;

As such, any unregistered electric device that has two wheels, or three wheels if ridden the same as a vehicle with two wheels, that is not an ERD may be seized and impounded as an unlicensed *motorcycle*. Where a device is seized under s.800 RTA or if you issue a surrender notice under s.80P RTA, the device will be confiscated to the Commissioner after 14 days from the impounding date (subject to no successful claims of right to possession).

Officers have discretion whether or not to impound under these provisions.

Please note, due to the wheel specifications in the definition, devices with one wheel, e-skateboards and other devices with four or more wheels do not fit within these impounding and confiscation provisions. These are unlicensed motor vehicles only.
