COMMUNITY NOTICES

ONGERUP WILDFLOWER SHOW The Bloom festival is only months away now, It's a wonderful time of the year to be amongst our Beautiful Wildflowers. We have native plants here you don't find anywhere else in the World, which in itself is very special to our Ongerup Community.

Any Volunteers who are interested in getting a Wildflower pickers licence can contact Mel Sclater 0448849822 who can help with this. A Wildflower Roster Sheet will be put out from the 1st of September at the Ongerup General Store. The show runs for two weeks and we do need help from local Volunteers, if you can do one or two hours or would like to do a full day at the museum, we would appreciate any time that suits you. Please any volunteers who are willing to help our Community Museum can contact Mel Sclater, President of the Ongerup - Needilup Museum. Thank you.

Toddler Time Recap!

This morning at Toddler Time, we enjoyed some exciting free play activities. The children explored the construction mats with wooden vehicles, using their imagination to create different building scenes. We also had fun playing with the machinery puppets, encouraging creative play and storytelling.

To finish our session, we worked on matching the animals to their correct homes on the felt board!

Book Club Review

The Good Losers by Meg Bignell

We had a lovely book club evening at Pete's place on Monday night discussing *The Good Losers* by Meg Bignell. It was a popular choice, with most of us having read and thoroughly enjoyed it.

This novel was absolutely hilarious. I laughed, giggled, and even snorted out loud more than once. Meg Bignell has created a cast of witty, uniquely relatable characters who drew me in from the very first pages. The clever humour was perfectly balanced with enough intrigue to keep me guessing right until the end.

One of my favourite features of the book was the WhatsApp group chat chapters. They contained some of the funniest one liners in the novel, and the shifting group dynamics kept me constantly wondering who would leave, who would be added next, and what drama would unfold.

Beyond the comedy, the novel also explores friendship, competition, family, and the pressures we place on ourselves and others, making it both funny and surprisingly heartfelt.

Overall, *The Good Losers* was an entertaining, clever, and memorable read that sparked plenty of laughter and conversation. It was a great pick for book club, and I'd happily recommend it to anyone looking for a sharp, funny novel with plenty of heart.
